batman begins by david goyer black. a low keening which becomes screeching that builds and builds until red flickers through black as the screen bursts into life clouds of reeling bats silhouetted against a blood red sky, bolting away from camera, massing in the sky... forming a density the shape of an enormous batlike symbol. more bats mass, swamping the symbol, darkening the screen to black. distant childrens laughter which comes closer as sunlight flickers through black. sunlight through trees running through a summer garden. a boy. chasing a girl. the boy reaches a victorian greenhouse. stands in the doorway catching his breath. this is bruce wayne, aged 8, and we are 1 ext. gardens, wayne manor day 1 young bruce peers down rows of plants on long trestle tables. young bruce rachel no response. sunlight streams through wrought iron and glass. young bruce advances, cautious. he is grabbed from behind and pulled under a table by a young girl, aged 10. this is rachel. she puts her hand over young bruces mouth. female voice o.s. rachel master bruce a woman strides past the windows mrs.dodson, rachels mother, housekeeper of wayne manor. young bruce whispering whatre you doing rachel matteroffact kidnapping you. they pay a lot for precious brucie. young bruce stares, wideeyed. she smiles. he relaxes. young bruce bolts out from under the trestle table sprints for the back door. rachel tears after him. 2 ext. disused kitchen garden, wayne manor continuous 2 young bruce crouches in the mouth of a disused well, peering over the stone wall at rachel, who searches for him. continued continued 2 2. rachel bruce, i can see you. young bruce suppresses a giggle the boards beneath him give way and he plummets into... 3 int. old well continuous 3 young bruce drops thirty feet lands painfully on the rubble strewn bottom of the shaft. 4 ext. kitchen garden, wayne manor continuous 4 rachel, hearing, runs to the well. rachel bruce 5 int. old well continuous 5 young bruce lifts his head from damp dirt and rocks, groaning. 6 ext. kitchen garden, wayne manor continuous 6 rachel sprints towards the house. rachel mom mister alfred 7 int. old well continuous 7 young bruce, in shock, groans. he hears squealing freezes, peering into the darkness of an opening between rocks... bats explode from the darkness, filling the air. he screams curls against their flapping, squawking, fluttering blackness. a jolt older green eyes flick open, waking... in darkness. filthy, sweating darkness... and we are in 3. 8 int. bhutanese jail morning 8 the eyes belong to a bearded, weathere d, young mans face. bruce wayne aged 28. an old asian man sits staring at him. old man a dream wayne a nightmare. old man worse than this their cell is a tin box. light seeps through gaps in the roof. shouts echo. wayne shrugs. 9 ext. prison courtyard later 9 wayne and the old man line up for gruel. prisoners are scattered in small groups. all eyes on wayne. old man they are going to fight you. wayne i fought them yesterday. old man they will fight you every day. until they kill you. wayne holds out his plate. watches gruel dribbled onto it. wayne cant they kill me before breakfast wayne turns from the table. his path is blocked by an enormous man, backed by six aggressive prisoners. the enormous man smashes his plate away. enormous man broken english you are in hell, little man... he punches wayne wayne goes down hard. enormous man contd ...and i am the devil. wayne picks himself up. dust himself off. continued continued 2 4. wayne youre not the devil... the enormous man swings again wayne catches his fist, kicks the big mans knee out a n, as he goes down, boots his face. wayne contd ...youre practice. six prisoners rush wayne all at once... wayne fights skillfully and hard, flipping one prisoner into another, kicking as his arms are held... several prisoners hit the deck before gunfire two guards break it up, shooting into the air... they grab wayne. guard solitary wayne indignant why guard for protection. wayne i dont need protection. the guard points angrily at the unconscious prisoners. guard protection for them. 10 int. solitary, bhutanese jail moments later 10 wayne is tossed into the dark cell. the door slams. voice o.s. i often wonder at the riches to be found in dark places. the voice is mellifluous. european. it comes from the shadows of a deep corner of the cell. wayne i thought the point of solitary confinement was the solitary part. wayne can make out the profile of a man seated in the corner. continued continued 2 5. man these men have mistaken you for a criminal, mr.wayne ... wayne reacts to his name. the man steps into the light powerfully built, distinguished, in a wellcut suit and tie. wayne who are you man my name is merely ducard. but i speak for ras al ghul. have you heard the name wayne ive heard the legend

s...master warrior, international mercenary, feared by all the underworld... some even swear hes immortal. ducard smiles ras al ghul uses theatricality and deception as powerful weapons. ducard approaches wayne. looks deep into his eyes. ducard contd you have not escaped his notice a man like you is here by choice... or because he is truly lost . waynes eyes flick away from ducards penetrating gaze. ducard contd ras al ghul and his league of shadows offer a path to those that are capable of upholding our code. wayne code arent you criminals ducard a criminal is simply a man that someone else thinks... gestures around them ... should be put in jail. wayne nods, conceding the point. continued continued 3 6. ducard contd this world is run by tyrants and corrupt bureaucrats. our code respects only the natural order of things were not bound by their hypocrisy. are you ducard moves to the door. knocks. it is opened by a guard. ducard contd there is a rare flower a blue doublebloomed poppy that grows on the eastern slopes. tomorrow you will be released. pick one of the flowers. if you can carry it to the top of the mountain, you may find what you are looking for. wayne and what am i looking for ducard looks at wayne with a glint in his eye. ducard purpose. the door slams shut leaving wayne in darkness... 11 int. bottom of the old well day waynes memory 11 silence. young bruce lies there, exhausted, weeping softly. male voice bruce young bruce looks up a figure, long coat billowing, is lowered down the shaft... thomas wayne, young bruces father. 12 ext. gardens, wayne manor moments later 12 thomas carries his son towards the house. at his side, a 50 yearold man in a somber suit calmly coils a rope alfred. alfred will we be needing an ambulance, master wayne thomas we have everything i need to set the bone. ill take him for xrays later. continued continued 2 7. alfred very good, sir. they pass a tearful rachel standing with her mother. 13 int. hall, wayne manor continuous 13 thomas carries bruce up the main stairs. the house is vast and grand, but full of flowers and life. bruces mother martha appears at the landing, distraught. thomas reassuring hell be fine. 1 4 int. bruces bedroom, wayne manor later 14 alfred moves to the bedside. looks down at young bruce. alfred took quite a fall, didnt we young bruce looks up at alfred. manages a slight smile. alfred and why do we fall, master bruce alfred reaches up to the curtains. young bruce says nothing. alfred so that we might better learn to pick ourselves up. alfred smiles gently. pulls the curtains shut, and we cut to an exquisite doublebloomed blue poppy... and we are 15 ext. himalayan foothills day 15 a field of the blue poppies. wayne approaches. picks one. studies its brilliant blue in the cold sunshine. 8. 16 ext. tiny hamlet, himalayas day 16 wayne, exhausted, freezing, hungry, wanders up the street. as locals see him they head inside. doors slammed, bolted. child o.s. no one will help you. wayne turns to find a young child staring at him. the child points at the blue flower pinned to waynes chest. an old man appears at the childs side. wayne weak i need food. old man then turn back. wayne looks at the old man. then carries on up the mountain. 17 ext. mountain day 17 wayne, struggles through driving snow up an icy ridge... he clears the ridge, flops down into the snow, painfully raises his scarfwrapped face to the cutting wind to see a monastery perched on jagged rock. 18 ext. himalayan fortified monastery day 18 wayne climbs up the steps to the vast doors of the monastery. unwraps a severely frostbitten fist. pounds against the icecovered red wood, knocks echoing deep within. nothing. wayne lowers his forehead to the door, shoulders wracked by sobs, pounding accelerating to a frenzy. a grinding noise from within. wayne stops, straightens. the doors swing open to darkness... 19 int. great hall, monastery continuous 19 wayne shuffles forward into a lowceilinged wooden hall lit by flickering lamps. hands trembling, wayne pulls at brittle scarves. he starts as the doors thud shut behind him. at the far end, on a raised platform, sits a dark robed figure ras al ghul. wayne moves unsteadily towards him... continued continued 2 9. wayne hoarse ras al ghul armed warriors of various races emerge from the shadows bows taut, swords drawn... ninjas. wayne freezes. ducard o.s. wait. the warriors hold. wayne looks at the source of the command ducard leans against a nearby pillar. wayne reaches into his layers of clothing. pulls out the doublebloomed blue poppy. holds it out, shaking. ras al ghul starts to speak in urdu. ducard translates. ducard fear has been your guide. but now you must advance or fear will keep you on your knees. we will help you conquer your fear. in exchange you will renounce the cities of man. you will live in solitude. yo

u will be a member of the leagues of shadows. and you will be without fear. ducard takes the flower. considers its delicate blue petals. ducard contd are you ready to begin ducard threads the flower through the buttonhole of his lapel. wayne looks at ducard, shaking with hunger and fatigue. wayne ready i... i can barely ducard kicks him wayne crashes to the floor. ducard death does not wait for you to be ready... wayne crawls, gasping. ducard strikes him in the ribs. ducard contd death is not considerate, or fair. and make no mistake today, death is your opponent. continued continued 3 10. ducard turns whips his leg in a fearsome roundhouse kick aimed straight at waynes neck but wayne blocks the kick with a lateral movement of his forearm. he stares at ducard, eyes blazing. ducard smiles. wayne rises. assumes a martial stance. ducard strikes wayne blocks and parries, driving his body through pain into a series of fluid, skilled moves... ducard contd tiger crane... ju jitsu... smiles skilled. but this is not a dance ducard grapples wayne, brawling, biting, energized, messy... ducard contd facing death you learn the truth... ducards head smashes waynes cheek wayne falters ducard contd you are weak... ducard smashes him in the groin. ducard contd you are alone... ducard slams waynes chin, sends him down hard. ducard contd and you are afraid... ducard crouches at waynes side. looks into his glazed eyes. ducard contd curious but not of me. ducard pulls the flower from his lapel. leans in close to replace it on waynes chest, his lips at waynes ear... ducard contd tell us, wayne... violent flapping, screeching black rats swarming, chittering ducard v.o. whispers what do you fear 11. young bruces eyes open, and we are 20 int. bruces bedroom, wayne manor dawn waynes memory 20 young bruce, breathing hard. light cuts across the bedclothes. he looks to the door. thomas is there. thomas gentle the bats again young bruce nods. thomas approaches. sits on the bed. thomas contd you know why they attacked you off look they were afraid of you. young bruce afraid of me thomas youre a lot bigger than a bat, arent you all creatures feel fear. young bruce smiles even the scary ones thomas smiles back, reaches into his dressing gown pocket. thomas especially the scary ones. thinks here, let me show you something freeze but you cant tell anyone, right young bruce nods, eager. thomas pulls out a long jewel case. he opens it pearls glow in the half light. thomas contd for your mother. young bruce grins. thomas winks at him, snaps the case shut. 12. 21 int. elevated train monorail evening 21 young bruce watches the glory of gotham glide past. his parents beside him, dressed up martha idly stroking her pearls. she smiles at thomas. young bruce did you build this train, dad thomas your greatgrandfather built the first trains in gotham. the citys been good to our family it was time to give something back... thomas draws a circle in the condensation on the window... thomas contd a new public transportation system for the whole city... thomas draws spokes through the circle, creating a wheel. thomas taps his diagram at the central hub of the wheel, then points through the glass to a tall 1930s skyscraper. thomas contd ...and at the cent... wayne tower. 22 ext. gotham continuous 22 the monorail train turns inwards on a spoke... shooting towards the central station at the base of wayne tower. 23 int. concourse, wayne station moments later 23 young bruce stares at the magnificent station. he looks up through the vaulted glass ceiling... wayne tower rises above... rich orchestral strings rise, and we are 24 int. gotham opera house later 24 a gilded house packed to the rafters for boitos mephistopheles. young bruce seated between his parents, on stage witchlike creatures cavort. dark birds on wires descend, flapping. young bruce stares, uneasy, at their violent motions. insert cut bats explode from a dark crevice. young bruce starts breathing faster, stares fixedly. continued continued 2 13. screeching, flapping black bats swarm all around... young bruce, gulping panic breaths, looks around for an exit theyre in the middle of a row. he grabs his dads arm. young bruce desperate whisper can we go thomas stares at his son, confused. martha looks over. young bruce looks at his father, pleading. thomas nods. they make their way along the row, thomas nodding apologies... 25 ext. side alley, gotham opera house continuous 25 the waynes emerge from a side exit. martha crouches before bruce, tries to meet his eyes. he stares down, ashamed. martha bruce, whats wrong thomas hes fine. martha looks up. thomas gives her a conspiratorial look. thomas contd i just needed a bit of air. bit of opera goes a long way, right, bruce young bruce looks up at his dad, who winks. young bruce smiles gratefully. thomas contd come one. t

thomas, coat over his arm, ushers his family down the dark alley, heading for the welcoming glow of the main boulevard. a figure emerges from the shadows in front of them. a man. with a gun. shifting uneasily. man wallet, jewelry fast thomas calm tone thats fine, just take it easy. continued continued 2 14. thomas hands young bruce his coat, then reaches for his wallet. the man jerks the gun at thomas, eyes darting. young bruce stares up at the gun trembling in the mans hand. thomas contd here you go. the man grabs at the wallet but fumbles it. it falls. the man glances down at the wallet then back to thomas, scared. thomas contd reassuring tone its fine, its fine... the man crouches for the wallet, eyes on thomas. thomas contd ...just take it and go. the man feels for the wallet, looks at martha. her pearls. man i said jewelry she starts pulling off her rings. the man jerks the gun at her neck. thomas steps protectively in front of his wife. thomas hey, just boom. young bruce flinches. thomas looks down at his bleeding chest. then back to the man, saddened. thomas crumples. martha screams. the man reaches for marthas pearls but she screams desperately for thomas. martha thomas thomas man gimme the damn... but martha flails, trying to grab her fallen husband. the man shoots her. then yanks at her necklace, which breaks. spilling pearls all over the asphalt. the man stands. turns to young bruce. who stares at him. uncomprehending. the man cannot bear the boys gaze... and then he runs. young bruce looks at the bodies of his parents. drops to his knees, head down pearls dot the asphalt beneath him. some of them are bloody. 15. young bruce starts to shiver. 26 int. police station night 26 chaos reporters and cops vying for a piece of the crime of the decade. in the captains office, young bruce. bewildered, forgotten. still clutching his fathers overcoat. male voice o.s. is that your fathers young bruce looks up a young beat cop stands over him jim gordon 29. gordon crouches, reaches for the coat. young bruce huddles over it, protective. gordon reassuring its okay. gordons tone prompts young bruce to trust him. gordon takes the coat, drapes it gently across young bruces shoulders. male voice o.s. gordon you gotta stick your nose into everything gordon turns to captain loeb, who glares at him. captain loeb outta my sight. gordon nods at young bruce, whose eyes wish gordon would stay. gordon leaves. loeb turns to young bruce. captain loeb contd good news... we got him, son. young bruce looks up at him dazed. uncertain. 27 ext. grounds, wayne manor day 27 snow falls over two open graves. mourners disperse, guided by security guards. alfred stands with young bruce. a man approaches, earle 47. he nods at alfred, crouching. earle indicates alfred youre in excellent hands, bruce. and were minding the empire. when youre all grown up, itll be waiting. 16. young bruce looks blankly at earle. 28 ext. wayne manor later 28 mourners file towards the gates. rachel walks with her mother. looks up at bruces high window. sees him watching. waves. young bruce pauses, then returns the wave. 29 int. bruces bedroom continuous 29 alfred enters. looks tenderly at young bruces back. alfred i thought id prepare a little supper. no response. alfred turns. alfred contd very well. young bruce o.s. alfred alfred turns back. young bruce is looking at him with tears pouring down his cheeks. alfred tilts his head. alfred voice catching master bruce young bruce it was my fault, alfred. alfreds mouth opens. young bruce contd i made them leave the theater alfred oh, no, no, no alfred moves to young bruce, taking the boy in his arms. young bruce if i hadnt got scared alfred no, no, master bruce. nothing you did. nothing anyone ever did can excuse that man. continued continued 2 17. alfred holds young bruce away to look directly into his eyes. alfred contd its his, and his alone. do you understand young bruce nods. then buries his face in alfreds chest, sobbing. young bruce i miss them, alfred. i miss them so much. alfred whispering so do i, master bruce. so do i. tears well in alfreds eyes as he holds the boy, watching snowflakes swirl past the window. ducard v.o. and do you still feel responsible 30 int. passageway, monastery day 30 ducard leads wayne along a screened passage overlooking extraordinary mountains. wayne my anger outweighs my guilt. ducard opens a door... 31 int. dojo, monastery day 31 leads wayne onto a mezzanine level stacked with boxes and bottles. ninjas pour powders into packets, mixing compounds. ducard takes a pinch of a powder throws it down bang wayne flinches ducard smiles goodnaturedly. ducard advanced techniques of ninjitsu employ explosive powders. wayne as weapons ducard or distractions. theatricality and deception are powerful agents. continued continued 2 18. ducard hands wayne a pinch of

f the powder. ducard contd to be a great warrior is not enough. flesh and blood, however skilled, can be destroyed... you must be more than just a man in the mind s of your opponents. wayne listens to this. tosses the powder bang 32 ext. frozen lake, himalayas day 32 wayne and ducard circle each other on the ice, swords poised to strike. dark figures in the white and blue landscape. ducard strikes at wayne, who deflects the blow using a silver gauntlet with three scallops thick, hooklike projections. ducard skids left, breath steaming, fainting with his sword. wayne steps sideways on the ice, his foot landing on a thin patch which creaks, water bubbling underneath. ducard mind your surrounding. always. wayne strikes ducard blocks with his own bronze gauntlet. wayne slips right and flies in with a short thrust ducards arm flips down in a backhand move ducard catches waynes sword in one of his scallops. ducard contd your parents death was not your fault... ducard rotates his arm, wrenching waynes sword from his grasp it skids along the ice. ducard contd ...it was your fathers. wayne, enrages, dives at ducard, swinging at him with the scallops, furious, reckless. ducard parries with his sword, they lock noses inches apart, wayne breathing... angry... ducard contd anger does not change the fact that your father failed to act. continued continued 2 19. wayne the man had a gun ducard would that stop you wayne ive had training ducard the training is nothing. the will to take control is everything. your father trusted his city, its logic... he thought he understood the attacker and could simply give him what he wanted... wayne considers this... breathing slowing... calmer... they separate. ducard contd gently your father did not understand the forces of decay cities like gotham are in their death throes chaotic, grotesque. beyond saving. wayne beyond saving you believe that ducard regards the harshly beautiful landscape. ducard it is not right that one must come so far to see the world as it is meant to be. purity. serenity... solitude. these are the qualities we hold dear. but the important thing is whether you believe it... wayne stares at ducard. ducard contd can gotham can be saved, or is she an ailing ancestor whose time has run ducard strikes down at wayne with his sword. wayne blocks the strike with forearms crossed, slides between ducards legs across the ice to where his sword lies. grasping his sword he spins, sweeping at ducards feet. ducard leaps wayne catches his foot, brings him down onto the ice. wayne thrusts his sword at ducards throat continued continued 3 20. stops inches from ducards bare neck. ducard freezes, arms at his sides. wayne looks down at ducard, smiling in triumph. wayne yield. ducard smiles. shakes his head. ducard you havent beaten me. youve sacrificed sure footing for a killing stroke. ducard taps the ice beneath waynes feet with his sword the ice gives way, plunging wayne through the surface. 33 ext. shore, frozen lake evening 33 ducard feeds a small fire. wayne rubs his arms, shivering violently against hypothermia. ducard looks at him. ducard dont rub your arms, rub your chest. your armsll take care of themselves. wayne rubs his torso, nods at ducard. ducard feeds the fire. ducard contd you have strength born of years of grief and anger, wayne. the strength of a man denied revenge. even in his shivering, wayne reacts to this. ducard contd why, wayne.. 34 int. wayne station platform day waynes memory 34 a monorail pulls into the platform. disgorges passengers. ducard v.o. why could you not avenge your parents amongst them, bruce, aged 20, holding a bag. he sees alfred, now 62, craning his neck, searching. he waves. continued continued 2 21. bruce you didnt have to pick me up alfred well, sir, the red line... well, its closed. apparently mr.earle thought it wasnt making enough money. 35 int. concourse, wayne station moments later 35 bruce looks sadly at the decay to his fathers station glass cracked, marble chipped, homeless bundled in shuttered storefronts... he looks up through the sparing glass wayne tower looms overhead, gold lettering catching the sun... bruce how is mr.earle alfred oh... successful. 36 int. rolls royce later 36 alfred glances at bruce in the rearview mirror. alfred will you be heading back to princeton tomorrow or could i persuade you to spend an extra night or two bruce im not heading back at all. alfred you dont like it there bruce smiles, sardonic. looks out at the trees flashing by. bruce i like it fine... they just dont feel the same way. alfred purses his lips, irritated. 22. 37 ext. wayne manor moments later 37 bruce stares up at house. alfred pulls the bag out of the car and, to bruces surprise, drops it at bruces feet. 38 int. wayne manor continuous 38 alfred leads bruce up the main staircase. the house is now dark

k and empty. dustcloths cover much of the furniture. alfred tense ive prepared the master bedroom. bruce my old room will be fine. alfred stern with all due respect, sir, your father is dead. wayne manor is your house. bruce irritated no, alfred, his isnt my house. gestures its a mausoleum. a reminder of everything i lost. and when i have my way ill pull the damn thing down brick by brick alfred turns on bruce, angry. alfred this house, master wayne, has sheltered six generations of the wayne family, and stood patiently by while youve cavorted in and out of a dozen private schools and colleges. as have i. bruce stares at alfred. eyes burning. chastened. alfred contd softer the wayne family legacy is not so easily shrugged off. bruce sadly nor borne, old friend. im sorry to have disappointed you. continued continued 2 23. alfred master wayne... i was at your fathers side when you were born. and at your side when he was laid to rest. bruce voice catching i know. alfred your father was a great man. but i have every confidence that you will exceed his greatness. bruce havent given up on me, yet alfred conviction never. bruce sags under the burden of alfreds faith. he opens the door to his bedroom, then turns back to alfred... bruce i may not get another chance to thank you for all youve done for me. alfred looks at him, curious. alfred are you going away after the hearing bruce shrugs, hard to read. then enters his old bedroom. 39 int. bruces bedroom continuous 39 bruce puts his bag on the bed. looks around the room. at the mantel, bruce stares at a framed photograph young bruce on his dads shoulders, arms raised in triumph. bruce wipes dust from the photograph. smiles at it. insert cut young bruce on thomass shoulders thomas tips back, threatening to drop young bruce who laughs and laughs. bruce moves to the bed. opens his case. inside it is a gun. 24. 40 ext. gates, wayne manor morning 40 rachel, now 23, stands by her car looking up at the house. she can see bruce in the window. she gives a small wave. 41 int. bruces bedroom continuous 41 bruce returns rachels wave. then finishes loading his gun. 42 ext. gates, wayne manor moments later 42 bruce walks down the drive to rachel. he smiles gently. bruce you look well. assistant district attorney, right rachel nods, smiles you still trying to get kicked out of the entire ivy league bruce shakes head, smiling turns out you dont actually need a degree to do the international playboy thing. rachel smiles. looks down at her shoes. then back to bruce. rachel bruce, i dont suppose theres any way i can convince you not to come bruce cold someone at this proceeding should stand for my parents. rachel bruce, we all loved your parents. what chill did is unforgivable bruce then why is your boss letting him go rachel because in prison he shared a cell with carmine falcone. he learned things and hell testify in exchange for early parole. 25. bruce shakes his head, opens the car door. rachel sighs. 43 int.ext. rachels car on freeway, gotham morning 43 rachels car heads towards the golden spires of gotham. bruce stares out the window in silence. 44 int. rachels car moments later 44 rachel pulls into the parking lot of the courthouse. parks. bruce looks at her through the strained silence. bruce rachel, this man killed my parents. i cannot let that pass. rachel almost says something. then shrugs. bruce contd rachel, i need you to understand. rachel looks at bruce. considering. gently nods. bruce nods back. rachel opens her door and starts getting out. bruce slips out his gun, placing it on the ground behind the front wheel of rachels car as he gets out. 45 int. courthouse day 45 a small bureaucratic proceeding. a five person panel. bruce sits amongst the observers. watching the back of chills head. rachels boss, finch, addresses the panel. finch given the exemplary prison record of mr.chill, the 14 years already served and his extraordinary level of cooperation with one of this offices most important investigations... we strongly endorse mr.chills petition for early release. the chairman nods, consults his paperwork. chairman i gather a member of the wayne family is here today... chill reacts, turning. bruce studies his weathered face. continued continued 2 26. chairman contd ...does he have anything to say chill notices waynes cold eyes. has to look away. bruce rises, walks out, all eyes on him. including rachels. 46 ext. parking lot, courthouse moments later 46 bruce moves to rachels car. picks up his gun, stuffs it up the sleeve of his overcoat. waits. the side exit opens and two cops come out. a shout goes up from the pressmen around the front of the courthouse. reporters theyre taking him out the side reporters swarm around the building as chill emerges. reporter1 chill, any words for the wayne family chill, head down, presses on. bruce st

raightens. breathes. starts walking towards chill. a reporter spots him. reporter 2 its bruce wayne the reporters clear a path, eager for a confrontation. blonde female reporter joe hey joe this one catches chills eye blonde, local t.v. type. bruces hand drops to his side as he moves... hes breathing hard... thinking... deciding... blonde female reporter contd falcone says hi she thrusts a gun at chills chest and fires. chill drops bruce stops in his tracks. reporters dive for cover cops jump on the blonde reporter, pinning her... bruce. fifteen feet away. loaded gun up his sleeve. face as uncomprehending as the night chill killed his parents. rachel moves to bruce, pulling him away from the chaos. continued continued 2 27. rachel come one, bruce. come on, we dont need to see this. bruce yanks his arm away. bruce i do. 47 int. rachels car evening 47 rachel drives. bruce sits there, hands in his lap. staring. rachel glances over at him. then pulls over. turns to him. rachel gentle are you okay bruce distant all these years i wanted to kill him. now hes gone. now i cant. rachel you dont mean that. bruce bitter what if i do, rachel chill killed my parents. they deserved justice. rachel looks at him, appalled. rachel youre not talking about justice, youre talking about revenge. bruce sometimes theyre the same. rachel theyre never the same, bruce. justice is about harmony... revenge is about you making yourself feel better. thats why we have an impartial system rachel pulls out into the street. bruce well, your system of justice is broken continued continued 2 28. rachel dont you tell me the systems broken, bruce im out here every day trying to fix it while you mope around using your grief as an excuse to do nothing. you care about justice.. rachel yanks the wheel 48 ext. freeway, gotham continuous 48 rachels car screeches across two lanes, onto an exit ramp. 49 int.ext. rachels car on surface streets continuous 49 the streets below are dark, crowded and threatening rachel look beyond your own pain, bruce. rachel gestures at the filthy streets. down dark alleys shadowy figures conduct business. rachel contd this city is rotting . chill is not the cause, hes the effect. corruption is killing gotham and chill being dead doesnt help that it makes it worse because falcone walks. he carries on flooding our city with crime and drugs... creating new joe chills... falcone may not have killed your parents, bruce, but hes destroying everything they stood for... they pull up in front of a basement club. rachel contd they all know where to find falcone... gestures at club but no one will touch him because he keeps the bad people rich and the good people scared. rachel turns on bruce. continued continued 2 29. rachel contd quiet and what chance does gotham have when the good people do nothing she pokes him in the chest. bruce looks down at her finger. bruce im not one of your good people, rachel. chill took that from me. rachel looks at bruce strangely. rachel what do you mean bruce pulls up his sleeve. turns his hand over. rachel stares at the gun in his hand, shocked. bruce i was going to kill him myself. she looks at bruce. then slaps him. bruce does nothing. rachel slaps him again and again... nothing. she stops. tears flowing. rachel youre no better than the rest. rachel points at the gun. looks into bruces eyes. rachel contd your father would be ashamed of you. bruce stares at rachel. opens his door. 50 ext. dock area, gotham continuous 50 bruce watches rachels car disappear. turns to look at the line of ships in the harbor. he makes his way to the water. takes out his gun. turns it, studies the light off its metal insert cut the trembling barrel of chills gun, inches from thomas waynes chest. bruce, with contempt, flings his gun into the black water. 30. 51 ext. basement club, facing docks later 51 bruce walks towards the entrance. a bouncer steps out, looking at him with contempt. bouncer get lost, kid. bruce pulls a massive wad of cash from his pocket. splits it in two. offers one half. bruce the other half when you give me the nod that falcones leaving. unawares. the bouncer looks at bruce. takes the money. 52 ext. basement club, facing docks later 52 bruce watches the entrance from the shadows. two thugs escort a thickset man out of a club. the bouncer waves bouncer night, mr.falcone. the three men move towards a waiting limo wham one thug takes a kick to the head, goes down bruce steps from the shadows the second thug goes for his gun bruce grabs his arm chops his throat judo flips the thug... bruce turns to falcone who looks at him, curious. falcone the little rich kid. no gun im insulted. the first thug lunges at bruce with a knife bruce puts him down with a graceful sweep bruce i dont need a gun. falcone yes, you do. click. a gun is at bruces head. held by the bouncer. continu

ed continued 2 31. falcone contd money isnt power down here fear is. the bouncer pistol whips him once, hard. bruce goes down. the bouncer drops bruces money onto him. falcone contd you shoulda just sent me a thankyou note... bruce looks up at falcone. spits blood. bruce i didnt come here to thankyou. i came to show you that not everyone in gotham is afraid of you. falcone laughs just those that know me. you got balls, kid... cold but you dont belong down here with us. we dont play fair. now go back to your big house, wrap yourself in your silk sheets and ill send you a shoulder to cry on. bruce you dont dress well enough to be a pimp. falcone lights a cigar. stares down at bruce. ice. falcone you miss your mommy and daddy come down here again, i send you to them. falcone turns. his thugs get into the limo with him. bruce watches it slide into the night. struggles to his feet... bruce walks the docks, wiping blood from his mouth. shadows in doorways mark his progress. three youths approach. bruce stiffens, but they cross the street to avoid him. male voice o.s. no onell mess with ya. bruce turns. a homeless man warming at a flaming oil drum. one of many homeless clustered around the docks. continued 3 32. homeless man wander round here dressed like that, means you got something to prove. man with something to prove is dangerous. bruce stares at the man. thinking. takes out his wallet. removes the money. hands it to the homeless man. homeless man contd for what bruce your jacket. bruce drops his wallet into the fire. the homeless man laughs. bruce pulls off his tie, throws it into the fire. he pulls off his overcoat, bundles it up ready to homeless man lemme have it, thats a good coat. bruce looks at the homeless man, who has removed his own. they exchange clothing. bruce be careful who sees you with that. off look theyre gonna come looking for me. homeless man who bruce smiles. bruce everyone. bruce, less incongruous in his new coat, moves down towards the stacks of containers... bruce wanders the stacks. a horn sounds. bruces eyes lock onto the ship preparing to leave. bruce runs towards it through the shadows... ducard o.s. and when you left gotham... and we are 33. 53 ext. himalayan monastery day 53 ducard ...what were you seeking ducard leaps up onto a stone wall. grabbing on using pikes on his palms and on his feet. wayne watches. wayne to lose myself. i couldnt do anything as bruce wayne. i felt useless. ducard gestures up to the top of the 50ft wall. ducard perhaps you can beat my record. bruce jumps up onto the wall, higher than ducard. confident. wayne how long ducard two days. off look the test is not to see how quickly you can climb, but how slowly. the ninja is thought invisible, but invisibility is largely a matter of patience. ducard reaches up for another handhold. slowly. ducard contd on your journey... you sought knowledge of the criminal world wayne nods i needed to understand the thoughts and feelings of those who sit and in the shadows... cut to 54 ext. crowded market, african port town evening memory 54 wayne v.o. the first time youre forced to steal not to starve... 34. bruce picks up a mango from a stack to examine it. as he does so he uses his lower hand to slip a plum into his pocket. 55 ext. alley, african port town later 55 bruce squats in a doorway. bites hungrily into his plum. he looks up. a child in rags sits in the next doorway, staring. bruce stares back, juice dripping. wayne v.o. ...you lose many assumptions about the simple nature of right and wrong. bruce hands the child the plum. licks his fingers. hard. 56 int. train station, london day 56 bruce bearded, filthy in a crowd, with an elderly man. wayne v.o. i needed to feel the fear before a crime... the elderly man spots a businessman hurrying a long steps into his path, engineering a collision, tumbling to the pavement. the businessman and bruce both crouch to help. wayne v.o. contd and the thrill of success... bruce slips the businessmen wallet out of his pocket. the businessman moves off. bruce shows the elderly man the wallet for approval. then hurries after the businessman. wayne v.o. contd ...without becoming one of them. bruce catches the businessman, gives him the wallet. the businessman thanks bruce noticing his destitution, he hands bruce a banknote. bruce nods thanks. 31. 35. 57 int. warehouse, under the arches, eastern europe night 57 bruce tries to crack a safe under the supervision of a young tough. the young tough shakes his head, spins the dial and whips open the safe. showing wayne the action. wayne v.o. i thought i would find something... 58 int. smokefilled backroom, shanghai night 58 at a table with a chinese boss and seven criminals drinking, laughing, showing each other their spoils watches, phones. wayne v.o. i thought i would learn what i needed to do with

h my skills and my anger... 59 int. warehouse, shanghai day 59 a truck races through the door. two criminals yank the doors shut after. bruce and the boss jumps down from the cab. wayne but the harder i looked the less i saw. the less i knew... bruce turns to the boss wary. bruce wheres this friend of yours boss shrugs not friend. friend of friend. bruce rolls his eyes. looks at the boss with contempt. wayne v.o. until i wasnt even sure what id been looking for in the first place... the doors explode cops burst in, shouting in mandarin. 36. 60 int. same later 60 the back of the truck is opened. cops inventory piles of boxes pulled out of the back. wayne v.o. and i was lost. bruce sits in a line of criminals, hands cuffed behind back. a cop yanks him to his feet, hauling him over to an officer. cop in mandarin he refuses to give his name. the officer smiles solicitously at bruce. officer in mandarin fool this is china, youre a criminal, what the hell do i care what your name is bruce in fluent mandarin im not a criminal. the officer, surprised, waves bruce away. looks at the truck. officer in accented english tell that to the guys who owned these he kicks a box close on the wayne industries logo. cut to 61 ext. wall, himalayan monastery dawn 61 wayne and ducard cling to the wall just short of the roof, eyes locked. both are in agony, sweatdrenched, straining. ducard blinks. reaches for the roof and pulls himself up. wayne closes his eyes in relief. ducard pulls wayne up onto the roof. they lie there in the half light. ducard turns to wayne. puts a hand on his shoulder. proud. ducard you are ready. 37. 62 int. throne room night 62 close on waynes blue poppy now shriveled dry on the altar. wayne, clad in black ninja uniform watches as ducard, also in black, picks it up, takes a pestle and mortar, drops in the dried flower, and grinds it to dust. ducard pours the dust into a small brazier. lights it. motions to wayne, who approaches the smoking altar. ducard drink in your fears. face them. wayne breathes the smoke. he shakes his head, reacting to the effects of the smoke... his mind is plagued by images chills trembling gun young bruce falling thomas staggering ducard puts on his ninja mask. motions wayne to do the same. wayne struggles to think through the effects of the smoke... wayne why the masks as if in reply, dozens of ninjas step forward from the shadows the hall is filled with identical ninjas. ducard has melted into the crowd. wayne raises his guard... ducard to conquer fear, you must become fear... you must bask in the fear of other men... and men fear most what they cannot see ducard strikes at wayne wayne spins, parries but ducard has gone. the ninjas move in unison, forming walls... ducard contd it is not enough to be a man... you have to become an idea... a terrible thought... a wraith the ninja nearest wayne turns and slashes it is ducard. wayne leaps sideways, rolling through the wall of ninjas. he looks at his arm it has been slashed, the uniform torn a dead giveaway. wayne looks around, crouched, ready... one wall of ninjas parts, revealing a wooden box. wayne stares at it, mind spinning from the smoke. continued continued 2 38. ducard o.s. face your fear... wayne cautiously approaches the box. carefully lifts the lid. peers inside... bats explode from the box, filling the air wayne dives away from the box, staring up at the squawking bats flinching... ducard leaps at wayne, who rolls sideways, blocking wayne turns to face ducard, but he is lost in the ninjas, bats filling the air, wayne flinching with their attacks... wayne stays low, slashes the arm of the ninja nearest him the man does not move. wayne turns. fighting to think. a ninja paces softly through the crowd, as he speaks, we can tell this is ducard... ducard become one with the darkness... ducard falls in behinds a ninja with a slashed sleeve... he knocks him to his knees, sword against throat ducard contd you cannot leave any sign... ducard pulls off his own mask. disappointed. wayne o.s. i havent. a sword is at ducards neck wayne is behind him, pulling off his mask. ducard looks around... several of the ninjas around them have slashed sleeves. ducard smiles. the ninjas turn, in unison, and sit. ras al ghul is seated on a small stage at the head of the room. ducard leads wayne to sit down in front of ras. a ninja places a tray between them a bottle and a burning candle. ducard places the candle in front of wayne and hands him a small glass. ras al ghul begins speaking in urdu. ducard we have purged your fear. you are ready to lead these men. you are ready to become a member of the league of shadows. drink. wayne tips back the glass. strong stuff. continued continued 3 39. ducard contd by blowing out this candle you renounce your mortal life. you renounce forever the cities of man. you dedi

cate your life to solitude. wayne leans forward to blow out the candle. pauses. looks at the rows of seated ninjas. wayne where will i be leading these men ducard you will need them in gotham. wayne you want me to go back to gotham ras stares at wayne. starts speaking... ducard you yourself are a victim of gothams decay. that is why you came here, and that is why you must go back. you will assume the mantle of your birthright. as gothams favored son you will be ideally placed... wayne for what ducard to help us destroy the city. wayne what ducard when gotham falls, the other cities will follow in short order. natures balance will be restored and man will finally return to solitude. wayne turns to ducard. wayne you cant believe in this. ducard looks at wayne, troubled. continued continued 4 40. ducard ras al ghul has rescued you from the darkest corner of your own heart... what he asks in return is obedience. and the courage to do what is necessary. wayne stares down at the flickering candle. at the bottle. wayne flicks his sword out, smashing the bottle, tipping the candle flames spread across the wooden floor ducard continued reaching to extinguish flames what are you doing wayne whats necessary. wayne strikes ducard in the head with the butt of his sword, douses his mask in the liquid fire and tosses it back into the mezzanine where the explosive powders are stored... ras leaps from his throne, striking at wayne with his sword wayne parries explosions roar from the balcony, shooting flame across the ceiling ras and wayne fight as explosions surround them... wayne leaps clear as flaming debris collapses onto ras, crushing him... the flames are rising, ninja bodies are strewn around, fresh explosions rip across the hall as ninjas flee and wayne spots ducard lying unconscious. wayne picks up ducard, hauls him out of the throne room, into a passage, smashing through an ornate screen... 63 ext. mountains continuous 63 wayne and ducard crash down onto a steep slope of ice and rock, the monastery exploding above them... wayne rolls over, grabs a rock, looks across to see ducard unconscious, sliding down the icy slope. his limp form rotates, spinning as his body gathers momentum, rushing towards the edge of the cliff... wayne dives after him, sliding headfirst down the ice... the cliff closer and closer as wayne races after ducard... 41. mere feet from the cliff edge, wayne grabs ducard raises his free gauntlet-clad arm, and smashes at the ice, digging in with the bronze scallop s... stopping on the edge ducard hangs limply over a tremendous drop wayne struggles with the dead weight. wayne pulls ducard up onto the ice. breathing. 64 ext. tiny hamlet, himalayas day 64 wayne carries ducard down the road. 65 int. sherpa s hut moments later 65 wayne kicks the door open. the old man he saw on his way up the mountain stares back at him. then motions wayne to put ducard down onto some mats. the old man wipes blood from ducards temple. looks at wayne, who is moving to the door... old man i will tell him you saved his life. wayne stops. turns. looks back at ducard. wayne tell him... i have an ailing ancestor who needs me. wayne puts his hands together in formal salute. bows. 66 int. climbers bar, bhutan day 66 a smoky inn, full of sherpas and climbers. wayne enters, filthy, ragged. conversation ceases. everyone stares. 67 int. same moments later 67 wayne uses a phone at the bar, waiting for an answer alfred o.s. wayne residence. wayne smiles at alfreds familiar voice. wayne hoarse alfred. continued continued 2 42. alfred unflappable master wayne. its been some time. wayne yes. yes it has. i need a ride. alfred and where are we, sir wayne glances around. wayne bhutan, i think. a curious sherpa nearby nods at wayne. alfred am i to assume that youre without money and passport wayne im traveling a bit light, yes. alfred i believe theres an air trip at khatmandu long enough for a g5. make your way there, ill have the jet down in fifteen hours. wayne very good. oh, and alfred alfred yes, sir wayne bring some painkillers. 68 int. private jet dawn 68 wayne steps out of the washroom, clean-shaven, fresh tailored clothes. the jet breaks cloud, revealing gotham bathed in glorious sunrise. wayne looks out at the city. alfred, sleeping opposite, opens an eye. wayne have you told anyone im coming home continued continued 2 43. alfred i thought you might like to surprise a few people. wayne no one can know im back. not until im ready. ill need everything on the company shareholders reports, holdings. everything. alfred smiles to himself. closes his eyes again. alfred you sound like a man with purpose. wayne stares at the vast city beneath them as the jet banks. wayne gotham needs me, alfred. gotham needs... a symbol. alfred what symbol, sir wayne im not sure. something for the good to rally behind... 69 ext. g

 re you back to finish college wayne actually, i thought id get to grips with what
 we actually do around here. from the ground up one division at a time. earle take
 s this in, nodding. earle any idea where youd like to start wayne applied science
 s caught my eye. earle mr.foxs department. ill make a call. you can start today.

wayne actually, ive got a one oclock teeoff, and it took me all morning to convince the club to honor my old membership. grins at earle apparently they dont have to meet the same high standards as you when it comes to declaring someone dead. 4 8. 83 int. staircase, district attorneys office day 83 rachel hurries down marble stairs to catch finch. rachel mr.finch. finch weary yes, miss dodson rachel mr. finch, on the falcone matter finch here we go again the case against falcone died with chill. we had our shot. they walk out into the parking lot... 84 ext. parking lot, courthouse continuous 84 rachel that was then but now hes importing drugs, everybody knows it, lets take it to harvey dent and finch looking around keep your voice down. quite, sympathetic look, rachel, falcones got judge phelan and half of city hall bought and paid for. so you got burned on falcone let it go, weve got bigger fish to fry. rachel that would make a lot more sense if we were doing any frying. finch, uncomfortable, turns. rachel watches him exit... 85 int. rolls royce continuous 85 in the back seat, wayne watches rachel standing there. continued continued 2 49. alfred shall i park, sir wayne wrestles for a moment... wayne no, lets go. alfred pulls out with a touch of disappointment. 86 int. applied sciences division day 86 a massive warehouse, stacked with crates, oddshaped under dust covers, lab equipment. lucius fox, aged 52, leads wayne through the stacks, speaking in calm, knowledgeable tones. fox environmental applications, defense projects, consumer products... all prototypes, none if production at any level whatsoever. wayne none fox pauses, turns to wayne, a wicked gleam in his eye. fox what did they tell you this place was wayne they didnt tell me anything. fox they told me exactly what it was when they sent me here... a dead end where i couldnt cause any more trouble for the rest of the board. wayne you were on the board fox back when your father ran things. wayne you knew my father fox sure. helped him build his train. beautiful project routed right more continued continued 2 50. fox contd into wayne tower, along with the water and power utilities. made wayne tower the unofficial heart of gotham. fox stops at a tall crate. checks paperwork. opens the crate a bodysuit clear silicone over jointed armor. fox contd here it is the nomex survival suit for advanced infantry. kevlar biweave, reinforced joints... wayne feels the fabric of the suit. wayne bulletproof fox anything but a straight shot. wayne tearresistant fox hacks at the suit with his pen it doesnt even mark. fox this suckerll stop a knife . wayne why didnt they put it into production fox the bean counters figured a soldiers life wasnt worth the 300 grand. fox looks at wayne. suspicious. fox contd what do you want with it, mr.wayne wayne i want to borrow it. for spelunking. off look you know, cavediving. fox shrugs. puts the lid back on the crate. continued continued 3 51. fox you get a lot of gunfire down in those caves wayne smiles listen, id rather mr.earle didnt know about me borrowing fox mr.wayne, the way i see it... fox waves his arm, taking in the enormous facility. fox contd all this stuff is yours, anyway. 87 int. caverns beneath wayne manor day 87 wayne, high on the cavern wall, in climbing harness, hammers a bracket into the rock securing a line of industrial lamps. wayne okay give it a try. alfred throws a switch on a portable generator the lamps flicker on, dimly lighting the length of one wall. alfred peers at the damp, dingy surroundings. alfred oh, charming . alfred sees the bats covering the entire ceiling. alfred contd at least youll have company. wayne rappels to the cave floor, looks up to a high corner crumbling brickwork. alfred follows his gaze. alfred contd must be the lowest foundations of the southeast wing. wayne climbs up poking through the rock ceiling the bottom of a wroughtiron spiral staircase. in the center of the spiral a dumbwaiter lift, fallen off its track. wayne grabs the chains of the lift, rattles them sending a wave echoing up into the darkness. continued continued 2 52. alfred contd during the civil war your greatgrandfather was involved with the underground railroad. secretly transporting freed slaves to the north. i suspect these caverns came in handy. wayne jumps down. moves to the small river. follows it where it disappears under rocks. steps over. alfred waits. the roar of water gets louder and the light gets brighter. wayne follows the tunnel around a dog leg, emerging... behind the face of a waterfall. wayne grins, hops along slick rocks right up to the beautiful curtain of water. wayne awe alfred, come up here. alfred is twenty feet behind on the dry rocks. alfred i can see it very well from here, thankyou, sir. wayne, mesmerized, reaches for water that is liquid light. 88 int. unm

arked police sedan evening 88 gordon, now 46 and a detective, in the passenger seat. worn eyes watching his partner, flass, 42, gladhand the owner of the liquor store they are parked outside. flass squeezes into the driving seat holding a wad of cash. flass dont spose you want a taste gordon looks at flass, cold. flass shrugs. counts his money. flass contd i keep offering cause who knows, maybe one day youll get wise. gordon nothing wise in what you do, flass. flass yeah well, jimb o, you dont take your taste makes us guys nervous you might decide to roll over continued continued 2 53. gordon irritated im no rat, flass. calmer in a town this bent, whos there to rat to, anyway flass laughs at this, hits the gas. 89 ext. rooftop, gotham continuous 89 moving in on a rooftop balustrade to discover wayne, wearing the bodysuit, crouched, watching the police station across the street. he pulls on a black balaclava. climbs through the shadows using ninja spires on his hands and feet. 90 ext. police station moments later 90 gordon slams the car door. watches flass pull away. weary. 91 int. gordons office continuous 91 gordon slumps into his chair, back to the window. reaches for the phone notices a book sitting on his desk an old, worn copy of phylum peracopda the twilight world of bats. gordon frowns at the book, confused. the light goes out. wayne o.s. dont turn around. gordon freezes wayne is behind him, pressing a stapler between gordons shoulder blades as if it were a gun. gordon what do you want wayne ive been watching. youre a good cop. one of the few. what would it take to get falcone gordon narrows his eyes, puzzled. gordon carmine falcone continued continued 2 54. wayne he brings in shipments of drugs every week, nobody takes him down. why gordon hes paid up with the right people. wayne what would it take gordon leverage on judge phelan. and a d.a. brave enough to prosecute. wayne rachel dodson in the d.a.s of fice. gordon who are you wayne watch for a sign. gordon youre just one man wayne now we are two. gordon we no response. gordon turns around. no one. he jumps to the window looks down, looks up a shadow slips onto the roof 92 int. bullpen continuous 92 gordon races across the bullpen, drawing his gun, hits the stairwell two uniforms see him go, run after him. 93 ext. rooftop continuous 93 wayne moves to the edge of the roof the gap is too big he turns back the door smashes open gordon gun raised. gordon freeze wayne races for the gap leaps... drops fast... misses the top story grabs the balcony below... it breaks away drops him onto the one below. winded, wayne climbs onto the wall. continued continued 2 55. from the other roof, gordon watches wayne melt into the shadows. the uniforms arrive either side. uniform 1 the hell was that gordon dismissive some nut. but gordons expression is less certain. 94 int. earles office, wayne tower day 94 earle sits at his desk conferring with two board members. board member is he taking over earle not yet. i checked the trust, and bruce cant assume control until his thirtieth birthday. presses intercom jessica, wheres that coffee board member but thats in three months. earle well have to move fast. board member 2 to do what earle an ipo. theres nothing in bruces trust to stop us taking the company public... well have an offering... board member getting it and bruce will become just another board member. earle precisely. we cant have some clown prince running things. presses intercom jessica no answer. earle steps to the door and opens it. his assistant is gone. so is the receptionist. 56. 95 ext. rooftop, wayne tower moments later 95 the swishclick of a titleist rocketing off the roof and out towards gotham river. wayne stands behind the beautiful assistant, hand on her hip, adjusting her grip on a gold club. another young woman watches, leaning on a driver. wayne keep your elbows in... earle o.s. ladies they turn. earle is standing there. jessica sorry, mr.earle, mr.wayne insisted that all junior executives need to know how to play golf. earle junior executive whos answering the phones wayne smiles pleasantly at earle. wayne this is wayne industries, mr.earle im sure theyll call back. wayne unwraps himself from jessica and approaches earle. wayne contd conspiratorial i thought a few promotions might be good karma forgetting my new job. earle smiles patiently. earle of course, youre not actually starting just yet, bruce. not until your birthday. wayne grins three months time im having a huge blowout and i expect everyone to be there. earle with bells on. how are things down at applied sciences continued continued 2 57. wayne great theres some cool stuff down there. although that mr.fox goes on a bit once you get him talking. earle takes wayne by the elbow, walking him away. earle since youre here, there is a business matter that i

wanted to make you aware of... wayne assumes a pose of seriousness. wayne business... sure. earle we've been thinking for some time about offering shares... i think the time is right. wayne offering shares earle it's just a way of raising capital for growth... it's important to me that the company be in great shape when you take over. consider it my legacy. wayne nods. earle contd well, i guess i'd better go hire a new secretary and receptionist... earle head to the door. wayne smiles, turns back to jessica. wayne right, whose turn is it 96 ext. falcones basement club, dock area night 96 judge phelan exits the club, a girl on his arm. bouncer night, judge phelan. phelan turns, giddy with drink, puts his finger to his lips. c continued continued 2 58. phelan shhhhhh. the girl giggles. phelan guides her into a waiting limo. a street person comes over to the rear windows of the car, knocking. the driver gets out. driver get lost the driver kicks the street person away from the limo. a homeless man warming by a fire starts shouting. it is the homeless man that bruce gave his coat to years before. the coat is worn but recognizable. homeless man leave him alone let him be the limo moves off. close on the street person watching it leave. it is bruce. he glances down at a tiny camera in his lap. smiles at the screen phelan and the girl. 97 int. bat cave day 97 wayne places two bronze gauntlets on a trestle table. fires up a paint sprayer. starts coating them matte black. 98 int. same later 98 wayne is showing alfred diagrams. we catch only glimpses. alfred if we order the main part of this... points ...cowling from singapore wayne via a shell corporation. alfred indeed. then quite separately, place an order through a chinese manufacturer for these alfred points at a diagram which looks like a pair of horns. wayne nods put it together ourselves. continued continued 2 59. alfred precisely. of course, they'll have to be large orders to avoid suspicion. wayne how large alfred say, ten thousand. wayne smiles least we'll have spares. 99 int. applied sciences division morning 99 fox, at his desk, watches wayne approaching. fox smiles what's it today more spelunking wayne spelunking. and no, today it's basejumping. fox basejumping what, like parachuting wayne i need some kind of lightweight grappling hook... fox for what wayne basejumpings illegally you can't just take the elevator. fox shakes his head at wayne. gets to his feet. they sit. fox we've got suction pads, grapples... wayne any good continued continued 2 60. fox nope. but this thing's pretty neat. fox pulls out a box. inside a bronze grappling gun and harness. fox contd pneumatic. magnetic grapple. monofilament tested to 350 pounds. wayne feels the weight. it is light. strong. he picks up the harness that goes with it. shoulder straps with a wide, hitech belt. wayne shoves the back end of the gun into the belt buckle it clicks into place. wayne too expensive for the army fox takes it back from wayne. sardonic. fox guess they never thought about marketing to the billionaire basejumping, spelunking market. wayne look, mr.fox, if you're uncomfortable fox mr.wayne, if you don't tell me what you're really doing, then when i get asked... i don't have to lie. but don't treat me like an idiot. wayne nods fair enough. fox looks at wayne. thinking. fox come on, i'll show you something. 100 int. loading dock, applied sciences division later 100 fox hands wayne a sheet of black fabric. fox notice anything wayne examines it, shrugs. fox puts on a glove. continued continued 2 61. fox contd memory fabric dual layer polymers with variable alignment molecules. flexible ordinarily, but put a current through it... fox grabs the fabric which instantly pops into the rigid shape of a small oneman tent. wayne raises his eyebrows. fox contd ...the molecules align and become rigid. wayne pushes on the tent, feeling its strength, fascinated. wayne what kind of shapes can you make fox releases the tent, which instantly collapses. fox it could be tailored to any structure based on a rigid skeleton. wayne lifts the black fabric, flicking it in a whipping motion. thinking. then he sees something. some kind of vehicle, covered by a tarp. huge tires visible. wayne what's that fox, a twinkle in his eye, rolls up the memory fabric. fox the tumbler oh, you wouldn't be interested in that. wayne shoots fox a look, and we cut to 101 p.o.v. racing along, inches above a test track. tumbler on test track moments later 101 wayne pilots using aircraftlike control sticks. fox, in the passenger seat, hangs on as wayne pushes the vehicle... the tumbler shoots past low and wide, a cross between a lamborghini countach and a humvee. sandy camouflage, stealthangled panelling and variableangle flaps across the back. fox shouts over the noise of the engine. continued continued 2 62. fox she was

built as a bridging vehicle you hit that button wayne reaches no, not now wayne recoils it boosts her into a rampless jump in combat, two of them jump a river towing cables, then you run a bailey bridge across damn bridge never worked but this baby works fine wayne inspects the cockpit a forwardslung gunners driving position between their legs, video screens, electronic controls, windows with heads up display. wayne accelerates... the tumbler tears down the straightaway, skids to a halt. 102 int. tumbler continuous 102 fox jolts with the stop. turns to wayne, a little green. fox what do you think wayne turns to fox with a slight smile. wayne does it come in black 103 int. bat cave day 103 wayne takes the hitech harness for the grapple and cuts off the shoulder straps, leaving a belt with sliding attachments. 104 int. same later 104 wayne lifts a gloved hand, metal contacts on the fingertips. with his other hand, he picks up a fabric glove, ribbons dangling from each finger. he thrusts the gloved hand into the fabric glove the ribbons shoot out rigid finger extensions like the skeleton of a bats wing. wayne fans the projections, testing. 63. 105 int. bat cave later 105 close on the cowl. black, with a slight graphite sheen. dramatic, iconic even without its ears. a baseball bat smashes into the crown, cracking it in two. alfred picks the pieces off the table, frowning. alfred problems with the graphite mixture, apparently. the next ten thousand will be up to specifications. wayne looks up from adjusting a servomounted microphone. wayne at least they gave us a discount. alfred quite. in the meantime, might i suggest, sir, that you try to avoid landing on your head wayne shoots alfred a look. then fits the microphone into the hornshaped ear from the cowl. 106 int. same later 106 wayne grinds metal at a lathe. alfred approaches with a thermos. wayne stops grinding, blows on his handiwork... alfred why the design, master wayne alfred indicates the steel carved into a bats wing. wayne a man, however strong, however skilled, is just flesh and blood. i need to be more than a man. i need to be a symbol. alfred and why the symbol of the bat wayne bats frighten me. slight smile and its time my enemies shared my dread. wayne tilts the crude batarang, watching light dance across the brushed steel. he throws it whistling into darkness... 64. 107 int. falcones club, dock area night 107 judge phelan sits sandwiched between two girls, drink and cigar in hand. he looks up. phelan carmine where are you going falcone is putting his coat on. falcone duty calls. you have yourself a good time, judge. falcone turns to the club manager. leans in. falcone contd if hes too cheap to get a hotel, at least make him take his car around to the alley. shakes his head no class. 108 ext. docks continuous 108 down in the stacks, thugs unload boxes an open container. headlights light them up everyone freezes. a sedan pulls up. flass emerges. approaches one of the thugs holding a box. opens it, yanks out a stuffed toy. flass cute. flass rips open the toy, pulls a plastic package from inside. flass contd mock surprise oh what have we here nobody reacts. flass hands the toy back to the thug. flass contd carry on, gentlemen. flass heads inside a massive warehouse to a set of offices. 65. 109 int. office, docks continuous 109 flass enters. falcone sits at the desk. falcone you believe this hump, flass he indicates a thin man opposite. flass sits. flass problem falcone crane heres making insinuations. the thin man, crane, leans forward. a cold presence. crane insinuations well, let me be clearer you stepped on the last shipment before you delivered it to me. you cut it with baby powder, and rendered it useless for my purposes. falcone stares at the slight man, incredulous. falcone furious flass, tell this guy what happens to people who talk to me this way. 110 ext. falcones club, dock area continuous 110 judge phelan stumbles out of the club with the girls. they pile into the waiting limo. the club manager gestures to the driver to pull around into the alley. 111 ext. alley, dock area continuous 111 the limo idles in the alley. 112 int. limo continuous 112 the driver picks his ear. the partition is closed. the driver examines his finger... wham a black shape lands on the hood the drivers eyes go wide as smash a blackgloved fist shatters the windscreen and grabs the drivers neck... continued continued 2 66. in the back phelan sits bolt upright. the girls look around, alarmed. the partition slowly lowers, revealing batman. crouched like a dark animal on the hood the girls scream. 113 ext. alley continuous 113 the homeless man looks up from his brazier, curious. he sees a dark shape on the hood of a limo, a long black cloak billowing out behind it... screams echo through the alley... 114 int. limo continuous 114

phelan scrambles back in his seat, whimpering... batman you have eaten well... as gotham has starved. batmans eyes stare out of the black cowl at phelan. batman contd this changes tonight. batman shoots up off the hood, banging onto the roof 115 ext. alley continuous 115 the homeless man stares openmouthed at batman standing, iconic, on the roof of the limo, cloak billowing... batman turns his head towards the homeless man batman nice coat. and flies up from the limo, disappearing into the shadows high above... the homeless man looks down at his coat, then back up to the shadows... homeless man small thanks. 67. 116 int. office, docks continuous 116 crane looks at falcone, matteroffact. crane im aware that youre not intimidated by me, mr.falcone. but you know who were working for... and when he gets here i dont think hes going to want to hear that youve been endangering our operation just to filch a few dollars from your dealers. falcone hes coming to gotham crane soon. this is our last shipment. falcone shifts, suddenly uneasy. 117 ext. the stacks continuous 117 a thug hands a box to a second thug, who walks away along the corridor of containers. the first thug turns back to the darkness of the open container, reaches in he is yanked into the darkness with an echoing cry second thug turns, stares uneasily down the deserved corridor to the black mouth of the open container... second thug steiss no reply. he puts down his box. draws his gun. a third thug comes around the corner. third thug come on, we gotta he sees the second thugs gun. draws his own. they move cautiously towards the open container... 118 ext. the stacks continuous 118 the thugs peer into the blackness of the open container 68. behind them, a lamp hanging above the corridor shatters, the thugs turn, startled, to see another lamp shatter and go dark then another and another, darkness advancing towards them... 119 int. office, docks continuous 119 falcone lifts his hands in a gesture of peace. falcone theres no need to argue you can just test the stuff here and now. crane thats why i came. flass tosses the package onto the desk. 120 ext. the stacks continuous 120 as the closest lamp shatters, a glint of metal drops to the ground... the second thug bends, picks it up, staring a batshaped brushed steel plate. the second thug looks up, confused, but the third thug is staring above him. second thug what the second thug looks up himself a dark shape hanging from a crane directly above him... a giant bat, wings folded, head pointed towards the ground. second thug contd what the hell the bat drops wings whip out, rigid catch the air flipping the shape downwards enveloping the second thug in darkness the third thug bolts, racing between containers, arms pumping he sprints headlong down the narrow corridor, skids around a corner, races towards blackness sideswipes the third thug, spinning him off his feet, whipping him into darkness with a piercing scream... 69. 121 ext. truck outside the stacks continuous 121 other thugs react to the scream... 122 int. office, docks continuous 122 falcone and crane hear the scream. flass jumps up. 123 ext. the stacks continuous 123 thugs, guns drawn, advance into the stacks... 124 ext. the stacks continuous 124 a fourth thug whips around a corner to see a jumpy thug covering the other end of the corridor... the fourth thug nods, steps backwards. movement in the shadow behind him... batman is already in frame his arm flashes forward with his cloak, wraps the thugs neck, yanks him backwards into the shadows... jumpy thug sees the other thug disappear... he opens fire, strobing the stacks, revealing indistinct glimpses of movement. elsewhere in the stacks thugs react to the gunfire... flass stands outside the stacks, gun drawn, listening. he moves back into the office. 125 int. office, docks continuous 125 falcone what the hells going on flass looks at falcone. flass youve got a problem out there. falcone reaches behind the desk, pulls out a shotgun. 70. 126 ext. the stacks continuous 126 jumpy thug fires blindly at strobing shadows glimpses of a dark cloaked figure moving from shadow to shadow. jumpy thug empties the clip. fumbles for another as he looks out into the darkness. jumpy thug where are you a whispered word at his ear batman here. batmans face, upside down, at the thugs shoulder jumpy thug screams as he is engulfed by darkness 127 ext. outside the stacks continuous 127 flass scuttles over to his car. crane pauses, listening to the shouts and gunfire. then moves off into the night. 128 ext. the stacks continuous 128 falcone advances through the stacks, shotgun in hand. he rounds a corner to find five thugs, various weapons in hand, in a loose defensive ring, peering out into the darkness... a shadow drops into the center of their ring thugs turn, shouting, one swings a c

hain, another a knife batman ducks the chain sweepkicks the knifewielder to the ground. chain swings again... batman jumps up, one leg low to let the chain wrap a round his ankle batman kicks his leg sideways ripping the chain from its owner, then head butting him down batman spins his chainwrapped leg in a roundhouse kick, whipping three thugs behind him in the fade with the chain. all three go down. the rest are unconscious or gone. batman stands there, long cape billowing out to one side. the chain slides from his leg. falcone is behind him, shotgun aimed dead at batmans head. falcone what in gods name are you continued continued 2 71. batman opens his hand, revealing two shotgun cartridges. then turns, billowing cape wrapping around him. batman im batman. falcone pulls the trigger. click. 129 int. bedroom, rachel's apartment later 129 rachel tosses, trying to sleep, eyes shut. voice o.s. rachel dodson. rachel bolts upright, grasping at her bedside table. rachel whos there she pulls out a taser peers into the shadows silhouetted by the window a dark, cloaked figure. batman. rachel contd take one step, i drop you batman moves his arm something drops onto rachel's bed a file, spilling photos. she flinches. glances down photos of phelan and the girl in the limo. rachel contd what the hell is this batman leverage. rachel what do i need leverage for batman to get things moving. rachel who are you batman someone like you. someone wholl stand against the corruption. rachel reaches for the lamp, her eyes off the window for the instant it takes to illuminate the room, revealing no one. 72. 130 ext. docks continuous 130 gordon approaches, coffee in hand tiedup thugs sit against the container full of drugs. uniforms hold back a line of press, who snap away at the surreal scene. gordon crouches to look at the thugs, curious. uniformed cop o.s. falcones men gordon shrugs does it matter well never tie him to it, anyway. uniformed cop o.s. i wouldnt be too sure of that. gordon looks up. the uniformed cop is pointing. at a harbor light trained on the heavens. gordon rises, walks towards it. two cops stand there, staring falcone is strapped to the light, unconscious, arms spread. coat ripped, hanging from his arms in a strange pattern. cop 1 th hell isthat looks like... gordon follows their gaze up to where the beam of light casts falcones shadow onto the clouds. cop 2 like a bat. gordon stares at the projection. it is a bat symbol. gordon cut him down. gordon moves away, thinking. something catches his eye a block away. halfway up a building. a black flag blowing in the wind... not a flag.. a dark figure, wearing a cape, sitting on a ledge... batman. watching. 131 int. finchs office morning 131 rachel tosses a newspaper onto finchs desk, beaming. the front page a huge photo of falcone strapped to the light. rachel no way to bury it now. continued continued 2 73. finch maybe so, but theres judge phelan rachel ive got phelan covered. finch and this bat theyre babbling about. rachel breaks eye contact for an instant, uncomfortable. rachel even if these guysll swear in court to being thrashed by a giant bat... we have falcone at the scene drugs, prints, cargo manifest everything. finch considers. grins. finch damn right. lets get frying. 132 int. bullpen, police headquarters morning 132 loeb addresses captains, sergeants, lieutenants. gordon at the back. loeb holds up the paper, smacks the front page. loeb unacceptable . i dont care if its rival gangs, guardian angels or the goddamn salvation army get them off the street, and off the front page. captain simpson they say it was one guy... or thing . loeb dipping into their own supply it was some asshole in a costume. the room chuckles if its one guy, thatll make it a lot easier for you, wont it gordon raises his hand. loeb nods, cautious. gordon this guy did deliver us one of the citys biggest crime lords. continued continued 2 74. loeb glares no one takes the law into their own hands in mycity, understand 133 int. master bedroom, wayne manor day 133 alfred opens the curtains. wayne wakes, squinting. wayne groggy bats are nocturnal. alfred bats, maybe... but even for billionaire playboys, 3 oclock is pushing it. the price of leading a double life, i fear. alfred puts down a tray water, fruit, newspaper. alfred contd your theatrics made an impression. wayne theatricality and deception are powerful weapons, alfred. its a start. wayne glances at the paper. gets out of bed, barechested. alfred sees bruises across his torso and arms. alfred if those are to be the first of many injuries... it would be wise to find a suitable excuse. polo, for instance. wayne throws alfred a look. wayne im not leaving polo, alfred. alfred strange injuries, a nonexistent social life... these things beg the question of what, exactly , bruce wayne does with his time. and his

money. wayne considers this. continued continued 2 75. wayne what does someone like me do alfred shrugs drive sports cars, date movie stars... buy things that are not for sale. wayne looks at alfred. nods. downs the water, stands straight, feet together falls forward to the floor into his dizzyingly fast pushups. alfred watches. concerned. alfred contd who knows, master wayne if you start pretending to have fun, you might even have a little by accident. 134 int. county jail, receiving day 134 crane, briefcase in hand, is buzzed through thick steel and glass doors and met inside by a prison official. they walk. prison official dr. crane, thanks for coming down... crane not at all. so he cut his wrists prison official probably looking for an insanity plea, but if anything happened... crane of course, better safe than sorry. 135 int. interview room, county jail continuous 135 crane enters. falcone sits at a table, wrist bandaged. crane places his briefcase on the table. falcone smiles. falcone doctor crane, its all too much, the walls are closing in, blah, blah, blah. couple more days of this food, itll be true. crane what do you want continued continued 2 76. falcone we got a lot to talk about. crane such as falcone such as, how youre gonna convince me to keep my mouth shut. crane about what you dont know anything. falcone i know you wouldnt want the cops taking a closer look at the drugs they seized. crane reacts to this. falcone smiles, enjoying the reaction. falcone contd i know about your experiments on the inmates at your nuthouse... off look i dont get into business with someone without finding out their dirty secrets. those goons you hired.. i own the muscle in this town. falcone leans forward. looks crane in the eye. falcone contd so what have i been bringing in for you hidden in my drugs, crane crane if he wanted you to know hed have told you himself. falcone shifts slightly. falcone ive been smuggling your stuff in for months, so whatever hes got planned, its big. and i want it. crane studies falcone. considering. sighs. crane i already know what hell say... that we should kill you. continued continued 3 77. falcone leans forward, glaring at crane with contempt. falcone even he cant touch me in here. not in my town. crane shrugs. leans forward. pops the locks on his briefcase. smiles at falcone. crane reaches into his briefcase. inside is a breathing apparatus attached to a small burlap sack mask. crane would you like to see my mask he pulls the mask out of the case. holds it up. crane contd i use it in my experiments. probably not very frightening to a guy like you. but those crazies... falcone stares at crane, uneasy. crane puts on the mask. it is a sack with eye holes and twine stitching for a mouth. crane contd ...they cant stand it... falcone when did the nut take over the asylum whump a cloud of white smoke shoots out of cranes briefcase. falcone pushes his chair back, coughing, surprised. crane they scream and cry... falcone looks up at crane in his mask through falcones eyes tiny lizard tongues flick out of the holes in cranes mask. crane contd ...much as youre doing now. crane towers over falcone, flaming eyes and flaming mouth... falcone screams. 78. 136 int. corridor outside interview room moments later 136 crane emerges with his briefcase. the prison official hovers outside. screams echo from inside the room. crane oh, hes not faking. not that one. the prison official nods gravely. crane leans in. crane contd ill talk to the judge, see if i can get him moved to the secure wing at arkham. i cant treat him here. 137 ext. arctic ocean day 137 a coast guard helicopter touches down on the back of a heavily damaged deserted cargo ship. two coast guardsmen with flashlights jump onto the deck of the ship to take a look around. baffled. the deck is lined with holes. the coast guardsman shines his light into a massive hole. 138 int. earles office, wayne industries afternoon 138 earle is at his desk. a executive walks in, troubled. executive we have a situation. earle what kind of situation executive coast guard picked up one of our cargo ships last night. heavily damaged. crew missing, probably dead. earle what happened executive ship was carrying a prototype weapon. a microwave emitter... 79. 139 ext. airbase morning flashback 139 army brass and scientists waiting for a demonstration... an industrial machine the size of a small van sits on the ground a hundred feet from a water tower... executive v.o. its designed for desert warfare it uses focused microwaves to vaporize the enemys water supply... the scientists and brass don goggles. fire up the machine... the water tower starts shaking... then explodes in a cloud of steam that drifts towards the observers like fog. 140 int. earles office, wayne industries continuous 140 executive it looks like someone fire

d it up at sea judging from the damage to the ship and cargo. earle what about the weapon the executive shifts, uneasy. executive its missing. 141 ext. hotel restaurant, downtown gotham evening 141 a bugati veyron looks, and costs, a million pulls up to the valet station. wayne emerges, impeccably tailored, from the driver side. the valets scramble to the passenger side. open the door to find two blondes, one on the others lap. 142 ext. hotel restaurant continuous 142 tables around a decorative infinity pool. earle and his guests at a table. earle sees wayne enter with the blondes. he sighs. then waves. 80. 143 ext. same later 143 the table is littered with bottles and empty plates. female guest at least hes getting something done. male guest bruce, help me out here. wayne turns from the blondes. they stand up and walk over to the pool. wayne smiles, turns to the female guest. wayne a guy who dresses up like a bat clearly has issues. female guest but he put falcone behind bars male guest and now the cops are trying to bring him in, so what does that tell you female guest theyre jealous wayne watches as, behind them, one of the blondes slips off her dress and lowers herself into the pool... the other one, giggling, follows her lead. wayne if hes so benevolent why does he hide his face female guest maybe hes protecting the people he cares about from reprisals. wayne nods, considering. the maitre d slides up, annoyed. maitre d sir, the pool is for decoration, and your friends do not have swim wear. wayne well, theyre european. continued continued 2 81. maitre d im going to have to ask you to leave. wayne turns to earle mr.earle, im buying this hotel. will you please broker a deal earle nods. patiently. wayne contd turns to maitre d i think we should make some new rules for the pool area, dont you the maitre d stares at wayne. dumbstruck. blondes o.s. bruce the blondes beckon wayne. he comes to the edge of the pool. wayne ladies they splash him. earle turns away, shaking his head. behind him, out of focus, wayne is pulled into the pool. 144 ext. hotel later 144 wayne and the blondes, wet hair, in white hotel robes, waiting. the valet pulls up in the bugati. rachel o.s. bruce wayne turns. rachel is standing there, dressed for dinner. stunning. wayne rachel. blondes from car come on, bruce. we have some more hotels we want you to buy. rachel glances at the blondes. then back to wayne. continued continued 2 82. rachel id heard you were back. wayne nods where were you wayne oh, kind of all over, you know. rachel tense no, bruce, i dont. and neither did a lot of people. people who thought you were probably dead. wayne you didnt rachel i never quite gave up on you. wayne looks at her. thinking. gestures towards the bugati. wayne rachel, all that... thats not me, inside im... different. im rachel the same great little kid you used to be bruce, deep down, your friends out there are great, too. its not who you are underneath ... pokes his chest but what you do that defines you. rachel moves past him. wayne stands there, eyes burning. 145 int. gordons apartment evening 145 gordons pregnant wife, barbara tries to get their twoyear old to eat. gordon kisses her, picks up the trash. 146 ext. back alley, gordons apartment continuous 146 gordon sticks the lid on the trash can. thunder rolls around. flass o.s. gonna rain, huh continued continued 2 83. gordon what do you want, flass flass, leaning on his car, feigns offence. pulls a pint bottle from his pocket. flass hows barbara the kid gordon takes a drag, eyeing flass coldly. flass contd another one on the way, right big responsibility. and when youre on a big case like falcone... lot of time away from here. gordon cut to it, flass. flass just saying its good the case is clear cut youll wrap it up easy. flass finishes his bottle. throws it at the trash cans. gordon you come around here making threats, pretending to be liquored up... tells me youre scared. flass cold take care of yourself, pal. gordon watches him head back to his car. batman o.s. trouble gordon looks up batman is crouched in the fire escape. gordon shrugs the scums getting jumpy because you stood up to falcone. batman its a start. your partner was at the docks with falcone. continued continued 3 84. gordon he moonlight s as a lowlevel enforcer. batman there was another man. testing the drugs. gordon surprised it wasnt a buy why risk opening a package on the docks batman flass knows. gordon he wont talk. batman hell talk to me. gordon looks up. close on batman, in the shadows. gordon commissioner loeb set up a massive task force to catch you. he thinks youre dangerous. batman what do you think gordon gets to his feet, dusts off his pants. gordon i think youre trying to help... gordon looks up. but batman is gone. gordon contd ...but ive been wrong before. 147 ext. cargo ship, d

ocks night 147 three men walk through the canyons of shipping containers, checking the tags with a flashlight. they stop at one. customs agent this is the one im talking about. dock employee 1 whats your problem with it continued continued 2 8 5. customs agent it shouldnt exist. this ship left singapore with 246 containers and arrived with 247. probably dead illegals. you got a strong stomach they haul the doors open. the customs agent looks inside an industrial machine the size of a small van. his torch picks out the wayne industries logo on the side. customs agent contd what the hell is this thing behind him dock employee 1 raises a silenced gun. fires. dock employee 2 helps drag the body into the container. 148 ext. f alafel stand, surface street night 148 raining. flass stuffs falafel into his mouth. grabs a banknote from the vendor. flass walks down a dark street... yanked from the pavement, hes pulled up between buildings, falafel falling, up and up until faceto face with. the batman. rain pouring off his cowl. holding flass by his ankle. flass is screaming. batman who was with falcone at the docks flass i dont know, i swear to god batman swear to me. batman drops flass three flights down on the wire. pulls taut whips him back up. flass terrified whispers i never knew his name... never... sometimes shipments went to this guy before they went to the dealers batman why flass there was something else in the drugs, something hidden continued continued 2 86. batman what flass i dont know something i never went to the dropoff its in the narrows cops cant go into the narrows except in force... batman batman can. 149 ext. the narrows night 149 an island in gotham river a ramshackle labyrinth of crumbling public housing, makeshift additions growing like fungus around an insane asylum. a walled city. slick with rain. batman lands, crouching, looking at the windows of a warehouse built around the supports of the monorail tracks. 150 ext. warehouse, shanghai moments later 150 batman slips through a louver, drops silently to the floor amidst. by the freight elevator is a massive shipping crate. batman leaps up onto its lid pries it open. inside the industrial machine the size of a small van. batman sees the wayne industries logo and a number memit.42b noises. batman melts into the shadows. three men enter. two are the dock employees. the third is crane. dock employee 1 the boss wants you to keep it in the asylum until the time comes. crane fine, leave the body. torch the place. no traces. the thugs pull the customs agents body out then push the crate onto the elevator. crane notices rain spattering off the open louver. he steps towards it. thug 2 turns from the elevator holding a molotov cocktail. lights it a cord wraps around the bottle yanks it into the shadows. its fuse is extinguished. the thugs stare at the darkness. continued continued 2 87. batman rips from the shadows thug 1 pulls a gun batman smashes his arm to the ground. thug 2 moves in from the side is dropped by a fast elbow to the neck. batman turns to crane now wearing his mask. cranes hand flashes towards batman, who dodges a small puff of smoke. batman moves for crane coughs, chokes losing balance gasping... batman looks at crane, sees a monster flaming eyes, elongated limbs, spinning like a dervish... batman reels, in the throws of a hallucination. crane smashes the bottle over him, soaking him with gasoline... batman lurches for the windows, images assaulting his mind insert cut bats explode from the dark crevice batman turns to crane. who holds a flaming lighter. crane contd need a light crane tosses the lighter at batman... who bursts into flames. insert cut ras al ghul opens his box bats burst forth batman, in flames, spins leaps desperately at the windows 151 ext. warehouse, the narrows continuous 151 batman smashes through the window, cloak ablaze... falling... tries to activate his cloak but only gets one side to pop open... the deployed wing causes him to spiral insert cut young bruce falling, falling in the well shaft batman plummets, trailing flame, unopened wing fluttering with the violent flapping of bats screeching, flapping, fluttering darkness... batmans stiff wing hooks a railing slows him with a jolt trips dropping him to the ground with a crash... young bruce hits the dirt at the bottom of the shaft ...and a sizzle, as wet pavement damps the flames, groaning, batman rolls his burning batsuit along the asphalt. continued continued 2 88. batman, smoldering, lurches into an alley, raises his grapnel gun, fires up at the enclosed roof rides up punches his way through wire and metal, crawls onto his back, staring up at the skyscrapers of gotham. rain blurring his vision. insert cut young bruce watches his father crumple batman fumbles at his belt. pulls out a tiny phone. batman hoarse alfred alfred 15

2 int. rolls later 152 alfred drives, looks through the rearview mirror at batman, who lies in the back, flinching at invisible antagonists. batman blood alfred blood a sample take a sample poisoned... to batman the car is filled with bat s... mefistofle rises... young bruce in the throws of his panic attack gulps air turns to his father, looks him in the eye and condemns him young bruce shouting we have to go now, dad young bruce drags his parents from their seats... 153 int. master bedroom, wayne manor morning 153 wayne awakes. shivering. redyed from crying. alfred sits at his bedside, watching over him. wayne hoarse how long did i sleep alfred two days. its your birthday. wayne it was some kind of gas... i only breathed the slightest amount... continued continued 2 89. alfred i dread to think, sir, what wouldve happened if youd had a lungful. wayne ive felt those effects before... but this was much more potent . alfred i took a blood sample and sent it to a laboratory known discreet both discreet... hands wayne paper ...and prompt bloodwork. bruce reading proteinbased compounds... might be possible to work up an antidote. alfred shall i contact wayne pharmaceutical bruce ive got a better idea. 154 int. applied sciences division day 154 fox looks over the toxicology report. looks up at wayne. fox this was in your blood wayne its some kind of weaponized hallucinogen. administered in aerosol form. fox mr.wayne, you are definitely hanging out at the wrong clubs. wayne could you synthesize an antidote fox well, the hallucinatory compounds can be balanced... but this receptors a compound ive never seen before. continued continued 2 90. wayne reaches for paper so you cant. fox snatches it away did i say that i just want you to know how hard its gonna be. fox puts the report on his desk. wayne do you know what a wayne industries mem it42b is fox no. but she will... fox starts typing on his computer. fox contd oh. wayne what fox it wont tell us... turns to wayne it must be a defense prototype. wayne could you find out fox ill make a couple calls... i still have a couple friends in defense. 155 int. d.a.s office afternoon 155 gordon finds it. knocks. rachel looks up from her desk. rachel sergeant gordon gordon councilor. thanks for seeing me. gordon enters, shuts the door behind himself. continued continued 2 91. gordon contd they shake hands will finch go the distance on falcone rachel hell have to because of the press. gordon what about judge phelan rachel someone gave me leverage. gordon who rachel id rather not say. gordon shrugs theres a loose thread on the falcone case i want to see what unravels higher up. im told you can be trusted. rachel who told you that gordon smiles id rather not say. rachel looks at gordon, sizing him up. rachel gordon, were working for a masked vigilante. maybe from a rival gang. gordon my gut says hes okay. and hes getting things moving in this town. rachel and when he gets bolder with success goes too far gordon councilor, this guy took down a dozen of gothams most vicious wiseguys singlehanded and without killing one of them hes plenty bold already. continued continued 3 92. rachel if he takes a life... its on us. gordon looks at her. nods. a knock at the door. wayne puts his head around the door. rachel stares at him. wayne im sorry, ill come back. gordon i was just leaving, mr.wayne. wayne im sorry, have we.. gordon gordon. sergeant. no, i just recognized you. from your pictures. wayne nods. gordon looks at rachel, nods goodbye. rachel cold what do you want, bruce wayne i wanted to invite you a party rachel a party. great. just what i need... wayne todays my birthday. and i wanted to apologize. rachel you dont owe an apology, bruce. you are who you are. its simple. i dont have the right to expect anything more. wayne i thought you could never quite give up on me. rachel is the party at the house i miss it. wayne i hate the place. id tear it down if i could. continued continued 4 93. rachel appalled bruce, dont say that. wayne the place is nothing without the people who made it what it was. now theres only alfred. rachel and you. rachel looks at him. an assistant sticks her head in. assistant its falcone. they moved him to arkham asylum on suicide watch. rachel who authorized that assistant judge bentley, on the advice of the head psychiatrist, dr.jonathan crane. rachel starts getting her things together. rachel get crane there right now dont take no for an answer... and call dr.lehmann, well need our own assessment on the judges desk by morning. the assistant nods, leaves. rachel heads for the door. rachel contd guess i wont make your party... wayne youre going to arkham now its in the narrows, rachel. rachel gives him a look. rachel you have yourself a great time some of us have work to do. she hurries past him. stops. turns. looks at him,

softer. continued continued 5 94. rachel contd happy birthday, bruce. she races down the steps. wayne watches her go, thinking. 156 int. main hall, wayne manor 1 later 156 wayne hurries through the hall. alfred in pursuit. tables of food and decoration fill the hall. alfred but master wayne, the guests will be arriving. wayne turns. wayne keep them happy until i arrive. tell them that joke you know. wayne hurries off. alfred watches him go, exasperated. 157 int. study continuous 157 wayne steps to the piano, hits 4 notes the bookcase swings open. wayne steps through. 158 int. stone staircase continuous 158 wayne descends. arrives at the top of a wrought iron spiral staircase, steps onto the dumb waiter at its center. wayne pulls a lever, releasing the lift which plummets vertiginously down the center of the spiraling stair. 159 int. batcave continuous 159 the lift hits the bottom with a great rattle of crimes. wayne moves to a padlocked box. opens it the bat suit hangs there a phantom, black eyes staring back at him. he reaches for it. 160 ext. arkham asylum, the narrows evening 160 rachel's car crosses the bridge to the narrows. 95. 161 int. crane's office, arkham asylum moments later 161 rachel sits in front of crane at his desk.. crane ms.dodson, there's nothing to add to the report i filed with the judge. rachel well, i have questions about your report. off look such as , is it unusual for a 58year old man with no history of mental illness to have a complete psychotic break crane yes. but this is a mental asylum for the criminally insane. the unusual is usual here. 162 ext. arkham asylum continuous 162 the glowing window of crane's office. batman, crouched on the fence, adjusts mikes in the ears of his cowl. 163 int. crane's office continuous 163 rachel but isn't it convenient for falcone to suddenly develop these symptoms when he's about to be indicted crane there's nothing convenient about his symptoms, miss dodson. smiles, sympathetic look, i doubt we were even supposed to be having this conversation, but off the record... crane rises, motioning. 96. 164 int. corridor, arkham asylum continuous 164 an orderly talking to a nurse. crane leads rachel past. crane were not talking about a few easilymanufactured eccentricities. crane stops at a door. motions rachel to look falcone strapped to the bed. he stares at the door, mumbling. falcone scarecrow... scarecrow... ss... rachel what's scarecrow crane patients suffering delusional episodes often focus their paranoia onto an external tormentor, usually one conforming to the jungian archetypes. shrugs in this case, a scarecrow. 165 ext. arkham asylum continuous 165 batman, upside down, clings to the wall above the window at the end of the corridor. he racks audio focus through the orderlys conversation, settling on crane's voice. 166 int. corridor, arkham asylum continuous 166 rachel looks at falcone, mumbling, delusional. rachel he's drugged. crane nods psychopharmacology is my primary field im a strong advocate. crane turns to falcone. staring. crane contd outside, he was a giant. in here, only the mind can grant you power. continued continued 2 97. rachel you enjoy the reversal. crane shrugs, smiles i respect the mind's power over the body. it's why i do what i do. rachel hard and i do what i do to put scum like falcone behind bars, not in therapy. i want my own psychiatric consultant to have full access to falcone, including bloodwork to find out exactly what you have him on. crane stares at her. shrugs. 167 int. elevator continuous 167 crane steps in, rachel follows. he puts a key into the panel. crane first thing tomorrow, then. rachel tonight . i've already paged dr.lehmann over at county general. crane turns the key. crane as you wish. the elevator descends. the doors open onto 168 int. deserted wing, sublevel arkham asylum continuous 168 a long, decrepit corridor. water dripping, clearly disused. crane steps off the elevator. rachel follows, perturbed. 169 int. abandoned refectory continuous 169 rachel follows crane into a vast room tables stretch off into the room, covered in bags of powder, scales, aluminum barrels and dozens of inmates working the powder, refining it. continued continued 2 98. armed thugs look up, curious. crane surveys the room. crane this is where we make the medicine. perhaps you should have some. clear your head. he turns, but rachel is gone. crane smiles... 170 int. derelict corridor, disused wing continuous 170 rachel races into the elevator... 171 int. elevator continuous 171 rachel hits the 2nd floor button. nothing. she hits all the buttons, floors the alarm... all dead without the key. the door opens to crane's masked face. he reaches out crane boo. a small puff of gas sprays from his sleeve. rachel recoils, coughing, choking. she looks up at crane the eyeholes of the burlap mask are flaming. ra

chel screams. 172 int. abandoned refectory, arkham asylum continuous 172 the thugs drag rachel into the room. the inmates stare blankly, clearly drugged. crane turns rachel's reluctant face to look up at his mask. she gulps panic breaths crane who knows you're here rachel shakes her head. crane contd who knows rachel pulls a way, burying her head in her arms. the lights go out. the thugs look around, unnerved. crane pulls off his mask. continued continued 2 99. crane contd fascinated he's here. first thug who crane the batman. the thugs exchange nervous glances. first thug what do we do crane what anyone does when a prowler comes around. off look call the police. the first thug looks at crane. second technician you want the cops here crane at this point, they're irrelevant. but the batman... he has a talent for disruption. let the cops wrangle him. crane contd force him outside, the police will take him down. indicates inmates get them out of here. first thug indicates rachel what about her crane she's gone. i gave her a concentrated dose. the mind can only take so much. second thug the things they say about him... can he really fly 100. 173 ext. arkham asylum continuous 173 batman's cape flutters as he swings down two stories, landing at the high windows of the derelict corridor. 174 int. abandoned refectory continuous 174 third thug i heard he can disappear crane backs into the shadows, smiling at the third thug. crane well find out, won't we the thugs move either side of the door... glass smashes, across the room a shadow drops from a high window. rachel screams. the two thugs advance through the darkness. second thug is grabbed from above pulled up, screaming, into the blackness of the rafters. the first thug peers up into the darkness, gun aimed. a shadow descends, shouting first thug fires the shadow crumples onto him. it is the second thug first thug rolls the body off, scrambles to his feet batman strikes him from behind, knocking him unconscious. sirens outside, close. batman looks at rachel crane bursts from the shadows, arm high, aimed at batman's face batman grabs his arm, ducking away from the puff of gas from crane's sleeve... batman spins crane, ripping off his mask, wrenches his arm around to his own face, rips crane's jacket open and pulls out the bladder full of toxin. batman taste of your own medicine, doctor crane's eyes go wide as batman squeezes the bladder and a choking cloud of dust sprays into crane's face... crane falls to the ground, choking. batman turns him over, pulls his face up to meet his. batman contd who are you working for crane's eyes are wide with terror. continued continued 2 101. batman is a death's head black eyes, fangs. crane ras... ras... al ghul... batman reacts, pulls crane tighter. batman ras al ghul is dead, crane who are you really working for crane but crane just stares at him, eyes glazing mind flying images cascading through his fevered brain... crane smiles. crane dr. crane isn't here right now, but if you'd like to make an appointment sirens outside. batman turns to rachel. through her eyes batman is a towering horned, winged demon... rachel lashes out at the demon with all her might... batman applies a grip to her neck that renders her unconscious. cop over bullhorn batman. put down your weapons and surrender. you are surrounded. batman rises, carrying rachel. 175 ext. arkham asylum continuous 175 police cars surround the building. cops have guns drawn, waiting. staff emerge, blinking, from the darkened asylum. flass and gordon arrive. flass shouts at the uniforms flass what're you waiting for uniformed cop backup. flass backup flass gestures at the dozen police cars outside the building. continued continued 2 102. uniformed cop the batman's in there. swats on the way, but if you want to go now... smiles im right behind you, sir. flass turns to gordon. shrugs. flass swats on the way. gordon shakes his head. approaches the front doors. 176 int. derelict corridor, disused wing continuous 176 batman carries rachel, cloak billowing in his wake. 177 int. lobby, arkham asylum continuous 177 gordon moves through the dark, gun drawn, eyes flicking to terrified nurses who make their way to the front door. 178 ext. arkham asylum continuous 178 SWAT officers pour out of vans, race up the front steps. 179 int. corridor, arkham asylum continuous 179 gordon tries the elevator it is dead. he enters the stairs. 180 int. lobby, arkham asylum continuous 180 the SWAT team bursts in flashlights on rifles scan the darkness... 181 int. stairwell, arkham asylum continuous 181 gordon locks down the stairwell the way down to the disused wing is fenced off. he heads up and is grabbed and swung out into the stairwell. batman holds him as they rocket upwards. gordon what continued continued 2 103. batman covers gordon's mouth down below the door smashes open SWAT team

am lights cross the darkened stairwell. batman pulls gordon into the rafters. gordon turns, furious sees rachel. lying in a storage space open attic. twitching gordon contd whispering whats happened to her batman crane poisoned her with his toxin. he was the third man at the docks. gordon let me take her down to the medics batman they cant help her. but i can. the lights come on bleaching the stairwell batman, rachel and gordon are in the shadow of the attic. batman reaches down to his boot. presses a switch in the heel, producing a barely audible highfrequency whine. batman contd indicates rachel i need to get her the antidote before the damage becomes permanent. gordon how long does she have batman not long. 182 ext. arkham asylum continuous 182 a strange squealing sound rises. flass looks around, curious. a dark cloud crosses the moon... not a regular cloud... 183 int. stairwell, arkham asylum continuous 183 batman get her downstairs, meet me in the alley on the narrows side. continued continued 2 104. gordon how will you get out batman indicates his boot i called for backup. cranes been refining his toxin, stockpiling it. gordon what was he planning batman i dont know, but hes been working for someone else. gordon frowns at the loud squealing noise. gordon what is that batman backup. 184 ext. arkham asylum continuous 184 flass screams cops dive for cover as bats thousands upon thousands descend on the asylum, heading for the windows 185 int. corridor, arkham asylum continuous 185 windows shatter inwards as bats pour into the building 186 ext. arkham asylum continuous 186 gordon covers rachel as he carries her down the steps. 187 int. arkham asylum continuous 187 bats flood into the bright stairwell, soaring up past the cowering swats, a black mass rising, darkening the stairwell. batman amidst the bats. calm. pulls the sounder out of his heel, leans over the stairwell and drops it... bats cyclone down the stairwell, following the signal. batman jumps into the center of the black cyclone hidden falling... 105. 188 int. corridor, arkham asylum continuous 188 batman opens his cloak with a jolt lands hard. he moves calmly through the bats, slipping past cowering swats, moving past cell doors. inmates stare, wideeyed out their windows as he passes. batman turns to a cell door, pulls a small package out of his utility belt... 189 int. cell continuous 189 two inmates flinch as the door lock blasts open and the door is kicked in batman strides across the cell between the m... batman excuse me and blasts the window of their cell. he slides out... one inmate turns to the other. lunatic whatd i tell ya 190 ext. side street continuous 190 gordon lowers rachel to the asphalt. she stirs. batman o.s. how is she gordon looks up to see batman standing there. a searchlight from a chopper blasts the m. batman grabs rachel. gordon points back to the street. gordon take my car. batman i bought mine. batman has disappeared into the dark end of the alley. gordon yours blinding headlights flare. a massive engine roars gordon dives out of the way as the batmobile comes flying out of the darkness... the matteblack, muscularity of the stealthfinished car blows by. gordons jaw drops. continued continued 2 106. gordon contd i gotta get me one of those. 191 int. batmobile continuous 191 batman drives. rachel, coming to, hangs on, terrified. a cop car pulls across the alley batman hits the accelerator. 192 ext. alley continuous 192 the batmobile speeds towards the cop car 193 int. cop car continuous 193 the cops gawp at the batmobile, bracing 194 ext. alley continuous 194 the batmobile smashes into the cop car, huge front tires crushing the bonnet, bouncing the batmobile right over the cop car in a messy display of brute force. 195 ext. surface streets, gotham continuous 195 the batmobile tears left, and accelerates down the street... 196 int. crushed cop car continuous 196 the cops are scrunched down. one of them grabs the radio. cop 1 hes in a vehicle dispatcher over radio make and color cop 1 its a black... turns to partner. who shrugs ...tank. dispatcher over radio tank 107. 197 ext. surface streets, gotham continuous 197 the batmobile weaves around traffic, dodging freeway supports. 198 int. batmobile continuous 198 rachel braces against the dash, breathing fast, staring at the road ahead... through her eyes speed pure, visceral sensation lights streaking, columns flashing past at unthinkable velocity batman youve been poisoned. stay calm. he looks at an intricate gps display, then at the road ahead. 199 ext. surface streets, gotham continuous 199 the batmobile races along jumps lights, nimbly dodging through the cross traffic. two cop cars join the pursuit from the cross streets, lights blazing, sirens blaring. 200 int. batmobile continuous 200 batman spots the cops on a rearview monitor

or, flips a switch. 201 ext. surface streets, gotham continuous 201 the batmobile drops spike strips onto the road... the cop cars hit them tires explode rims light sparks as they grind, skidding sideways, one laying into the other. up ahead the batmobile slaloms outside of the freeway supports, rolls over the sidewalk, nips back into the roadway. 202 int. cruiser continuous 202 an impatient cop is on the radio. cop 3 at least tell me what it looks like... his eyes widen the batmobile roars past. a shadowy monster. continued continued 2 108. cop 3 contd never mind. 203 ext. surface streets, gotham 203 the batmobile comes out from under the elevated freeway and is hit by a spotlight from a chopper. 204 int. batmobile continuous 204 batman glances at a row of buttons each one a tiny screen showing different views. batman pushes one that view flicks onto the main display. rachel is hyperventilating. batman breath slowly. close your eyes. she does so. for an instant. rachel thats worse 205 ext. streets, gotham continuous 205 three cop cars pull across the intersection in a roadblock. 206 int. batmobile continuous 206 batman spots the roadblock in front. touches the gps screen the map becomes threedimensional heights of building, levels of streets. batman skids into a turn 207 ext. surface streets, gotham continuous 207 the batmobile skids through the entrance to a multilevel parking garage taking out the ticket machine and barrier. 208 int. parking garage continuous 208 the batmobile races upwards through the structure, the cars enormous width taking out pillars at every turn. 109. 209 int. batmobile continuous 209 rachel flinches away from the pillars rachel whatre you doing batman shortcut. 210 int. parking garage continuous 210 cop cars smash into downed pillars in the batmobiles wake. 211 ext. roof, parking garage continuous 211 the batmobile roars out onto the top level, and is lit up by the chopper. the batmobile reverses into a spot marked compact, crushing the cars either side, then races forward... cop cars emerge onto the roof, blocking the only way down... the batmobile screeches to a halt 212 int. batmobile continuous 212 batman glances at his 3d gps. then looks at rachel. cop 3 over loudspeaker turn off your engine she recoils, terrified by his mask, clawing at her harness. batman puts his gloved hand on her frantic arms. batman trust me. batman slides into the front driving position, body prone as if riding a motorcycle, head in a glass pod between the front wheels. he hits a button. 213 ext. roof, parking garage continuous 213 cannons emerge from the nose of the batmobile blasting the far wall... the massive jet engine at the back ignites, its mouth adjusting... flaps on the front and rear of the car, flare out like a python spreading its neck... 110. the cops stare. the batmobile rockets forward... heading for the gap in the far wall... accelerating... 214 int. batmobile continuous 214 rachel screams batman hits another butt on 215 ext. roof, parking garage continuous 215 an inverted spoiler jams into the airstream at the front of the car, bumping it just off the ground, a rampless jump 216 ext. rooftops continuous 216 the batmobile jumps off the parking garage, soaring over a thirtyfoot gap to land heavily on a neighboring flat roof. the cops stare at one another, openmouthed. 217 int. batmobile continuous 217 batman yanks the steering left, hits the boost 218 ext. rooftops continuous 218 the batmobile turns rockets for the edge of the roof... shoots over the gap to the next roof, chopper in pursuit. 219 int. batmobile continuous 219 batman checks his 3d gps, rockets forward, aiming at the next roof, a pitched chateauf style tile roof. 220 ext. streets below continuous 220 corp cars shoot along, paralleling the rooftop chase...from below the chopper swoops low over the buildings... a glimpse of the batmobile as it leaps across to the next building... cop 4 over radio were on him, were on him... 111. 221 ext. rooftops continuous 221 the batmobile lands on the pitched roof, racing along at a precarious angle, tiles sliding off the roof in its wake. 222 int. batmobile continuous 222 batmans forwardslung position is gyroscopically balanced he is the only vertical element in the angled car. 223 ext. rooftops continuous 223 chased by the lowflying chopper, the batmobile swerves up over the gables, roof crumbling in its wake, racing for the end of the roof which parallels an elevated freeway. the batmobile rockets forward jumps the last gable... drops onto the elevated freeway, traffic swerving to avoid it. 224 ext. surface streets continuous 224 cop cars see the batmobile disappear onto the freeway above. cop 4 dammit 225 int. batmobile continuous 225 batmans display shows a radar sweep and plots a course through the differing speeds of the lanes. he pi

lots, leaning left and right like a motorcyclist... 226 ext. freeway continuous 226 the batmobile swerves the choppers light stays trained. traffic gets heavier. cop cars are closing in from behind... 227 int. batmobile continuous 227 batman lifts himself back into the rear driving position throttles back kills all the lights, and the engine. 112. 228 ext. freeway continuous 228 the batmobile drops back, dark... the chopper loses it. the batmobile cruises across the lanes, a wraith. 229 int. batmobile continuous 229 silence, but for the steady whine of the electric motor. rachel breathes in the sudden quiet. eyes flickering. 230 ext. freeway heading out of gotham continuous 230 the batmobile slices across lanes, a shadow only visible breaking the glare of other cars headlights. the cop cars pull forward, driving parallel, an empty lane between them. 231 int. batmobile continuous 231 rachel stares at batman in the intimate quiet. her eyes are glaring. her breathing is shallow. batman quiet stay with me. 232 int. cop car continuous 232 the cop turns left to look at the other cop car. cop 3 whered he he sees, between his car and the next, a black shape. cop 3 contd there he is 233 int. batmobile continuous 233 the spotlight hits the car batman hits a button the main engine roars to life batman slips into the prone position hits the boost. 113. 234 ext. freeway continuous 234 the batmobile shoots forward from between the two cop cars. 235 int. cop car continuous 235 the batmobiles jet wash blasts the windscreen, shattering it, the cop throws his hands in front of his face 236 ext. freeway continuous 236 the cop car spins out of its lane, slamming into the guard rail as the batmobile races ahead, weaving through traffic. the batmobile slides onto a tightlycurving exit ramp... flies off the ramp, jumping down onto the frontage road below. 237 int. batmobile continuous 237 batman kills the lights, running on night vision. rachel's eyes flicker at the eerie green view of ghostly trees, her breathing faster and still more shallow. batman hold on. just hold on. batman yanks a lever 238 ext. small turnoff continuous 238 a ground anchor digs into the road, whipping the batmobile right in a hard turn, down a small turnoff... the chopper loses the batmobile, pursuing cop cars blaze past the turnoff. 239 int. batmobile continuous 239 rachel, crying, looks at the monstrous shapes of the trees flickering, jagged tree shapes spin past dizzily. batman rachel rachel no reply. up ahead a lookout over a river gorge. batman pushes the batmobile, speeding towards the lookout. rachel's glazed eyes register the danger she twists, panicked... 114. 240 ext. wooded path continuous 240 the batmobile rockets off the edge of the lookout, over the gorge, flying straight at the face of a waterfall. 241 int. batmobile continuous 241 rachel screams as they splash into the face of the waterfall 242 int. caverns continuous 242 and emerge through the curtain of water into the batcave. the batmobiles ground anchors hook a steel cable, spinning an inertia reel bolted to the cave wall, yanking the car to a halt like a jet landing on an aircraft carrier. 243 int. batmobile continuous 243 rachel bounces in her seat. passed out. 244 int. batcave continuous 244 the canopy of the batmobile hisses open in three complex sections, like insect wings imploding. batman lifts rachel from the cockpit, steps down onto wet shale... carries her into the damp blackness of the caverns. cloak billowing in his wake, he heads for the glow of his work table. gently lays rachel on the table. racks up the scaffold to his computer station. a container sits there with paperwork from fox. batman opens it, removes a vial. he plugs it into a pneumatic syringe, puts the syringe between his teeth glides off the scaffold, landing beside rachel. he injects her in the biceps. batman steps back, watching rachel's breathing slow. 245 int. abandoned refectory, arkham asylum continuous 245 gordon surveys the scene cops and swats dig through the mess, interviewing inmates and sifting rubble. a detective sits in a cell doorway examining cranes mask. crane is huddled in the corner, staring. continued continued 2 115. gordon is he cooperating detective if by cooperating you mean chewing his way through three sets of restraints, then yes, hes cooperating. did we catch the batman gordon tries not to smile. gordon nope. a cop hurries over. cop sir, theres something you should take a look at... 246 int. derelict bath house, arkham asylum continuous 246 tiled baths and hydrotherapy equipment. a pool in the center. the cop leads gordon to the edge... a massive hole has been dug through the bottom. dozens of aluminum barrels sit alongside. gordon climbs down, peers in to the hole... a torrent of water runs at the bottom. gordon looks like they tapp

ed the mains... gordon looks at the dozens of aluminum barrels. realizing. gordon contd get me somebody at the water board 247 int. batcave later 247 rachels eyes flicker open to the cavernous damp darkness. she sees bats banging high above. cl oses her eyes again. rachel under her breath oh. my. god. batman o.s. how do you feel his voice echoes as if spoken from al shadows at once. continued continued 2 116. rachel hoarse where are we nothing. rachel contd why did you bring me here b atman if i hadnt... your mind would now be lost. you were poisoned. rachel think s... concentrating... remembering. rachel i remember... nightmares. this... face, this... mask . realizes crane. it was crane rachel struggles off the table, tryin g to stand. rachel contd i have to tell the police weve got she slips batman is t here, catching her. batman rest. gordon has crane. in his arms she looks up at hi m he lays her gently back onto the table. retreats into shadow. rachel is sergean t gordon your friend batman i dont have the luxury of friends. rachel watches thi s dark shadow hover just outside the light. rachel why did you save my life batma n gotham needs you. rachel and you serve gotham continued continued 3 117. batman i serve justice . rachel stares at the solitary shadow. fascinated. pitying. rach el perhaps you do. batman steps into the light. holding a pneumatic syringe and t wo vials. rachel stares at him. batman im going to give you a sedative. youll wak e up back at home... batman holds up the two vials. batman contd and when you do, get these to gordon, and gordon alone. trust no one. rachel what are they batman the antidote. one for gordon to inoculate himself, the other to start massproduct ion. batman hands rachel the vials. she looks at him, curious. batman contd crane was just a pawn. he was working for someone else. rachel remembering ghul... some thing al ghul... batman ras al ghul . its not him. hes dead. rachel how do you kn ow batman i watched him die. batman approaches with the syringe. rachel offers he r arm. batman injects her. her eyes close. batman removes his cowl. wayne stands above the sleeping rachel. stares at her for an inexpressibly lonely moment. 118. 248 int. bath house, arkham asylum continuous 248 gordon is on the phone gordon someones been dumping a dangerous contaminant into the supply from this location for days, maybe weeks 249 int. control room, water board continuous 249 two tech nicians sit there, one on the phone to gordon. a large screen in front of them ma ps the water supply of gotham. technician if thats true then its already spread t hrough the whole system. but no ones reported any effects... 250 int. bath house, arkham asylum continuous 250 gordon looks around, thinking, frustrated. gordon i t must be like chlorine or fluoride harmless to drink, but when you breathe it it s deadly... look, wake up your boss, see if theres a way to flush out the system. gordon hangs up. frustrated. notices something. a large shipping crate. he turns to the cop. gordon contd open that up. 251 int. study, wayne manor evening 251 w ayne emerges from the bookcase. the noise of a party outside the door. alfred is there waiting, dinner jacket over his arm. wayne grabs the shirt dressing hastil y. wayne rachels sedated. you can take her home. continued continued 2 119. alfre d very good, sir. wayne is fox still here alfred nods tell your staff to stop ser ving drinks and move everybody on after the cake. alfred nods. wayne moves to the door. alfred stops him. hands him a towel, gesturing at his face wayne is still w earing black makeup around his eyes. 252 int. main hall, wayne manor continuous 252 hundreds of guests. music. tables groaning with food female guest o.s. there he is guests look up wayne wades into the throng, grinning and gladhanding. the b and strikes up with happy birthday, wayne spots fox at the buffet. 253 ext. side entrance, wayne manor continuous 253 as sounds from the party drift over, alfred gently arranges the unconscious rachel on the rear seat of the car. he frowns as rachels legs get stuck. he looks up to see a party guest, cigarette in hand, star ing, curious. alfred smiles a little the worse for wear, im afraid. alfred yanks waynes gold clubs to one side, rachel settles. 254 int. main hall, wayne manor c ontinuous 254 guests are leaving. wayne works the room, charming, but distracte d... heading to fox. wayne any word on that... item . fox nods, glances around. l eans in, conspiratorial. continued continued 2 120. fox a contact in heavy weapon s tipped me off its a microwave emitter. it vaporizes water. wayne thinks. wayne could you sue it to put a biological agent into the air fox sure, if the water su pply were poisoned before you vaporized it. wayne takes this in. grave. nods at f ox. earle o.s. happy birthday, bruce. wayne turns to earle. wayne mr.earle, good

of you to come. earle smiles not everybody thought you'd make it this far. wayne sorry to disappoint. how did the stock offering go earle very well the price soared. wayne who was buying earle a variety of funds and brokerages... it's all a bit technical the key thing is, our company's future is secure. wayne nods. gestures to fox. wayne have you met lucius fox continued continued 3 121. earle of course, lucius, how are you wayne fox is showing me the ropes down at applied sciences... he's a great untapped resource at our company, aren't you, mr. fox fox shoots wayne a look, but wayne winks and moves off. fox he's a good kid. earle cold fox, forget about kissing wayne's ass to get back in im merging applied sciences with central archiving and you're top of the early retirement list... smiles at reaction didn't you get the memo 255 int. bath house, arkham asylum continuous 255 gordon and the other cops stare at the microwave emitter. cop what the hell is it gordon turns to the swat team members. gordon i don't know, but nobody gets near it, understand were closing the bridges, locking down the whole island. 256 int. bedroom, rachel's apartment continuous 256 rachel stirs. on her bed fully clothed. trying to remember a strange dream. she sees the two vials of antidote sitting on her bedside table. hurries to her feet. 122. 257 int. main hall, wayne manor continuous 257 wayne moves across the party, heading for the study... an elderly society dame grabs him society dame bruce, there's somebody here you simply must meet... wayne mr. s. delane, i can't just now... she turns wayne to face an asian man in his fifties. society dame now, am i pronouncing it right.. in the asian man's buttonhole is a doublebloomed blue poppy. society dame cont'd mr. al ghul the asian man nods. wayne stares at him. wayne you're not ras al ghul. he's dead. the society dame laughs nervously, confused. voice o.s. but is ras al ghul immortal .. wayne turns. standing there. smiling. ducard. ducard are his methods supernatural .. wayne understanding or cheap parlor tricks to conceal your true identity.., ras ducard the real ras al ghul smiles acknowledgment. ducard ras al ghul surely you don't begrudge me dual identities ras al ghul walks wayne through the dwindling party. continued continued 2 123. ras al ghul i've been admiring your work, even as it's interfered with my plans... ras al ghul looks at wayne with a tinge of sadness. ras al ghul cont'd you were my greatest student... until you betrayed me. wayne notices certain guests staring at him members of the league of shadows. wayne looks at the departing guests. wayne your quarrel is with me. let these people go. ras al ghul as you wish. but they don't have long to live your antics at the asylum have forced my hand... wayne crane was working for you. ras al ghul his toxin is derived from the organic compound in our blue poppies. crane was able to weaponize the compound. a brilliant scientist, but no visionary. he just wanted money and power smiles i told him the plan was to hold the city to ransom... but, in fact wayne you're going to unleash crane's poison on the entire city... ras al ghul nods, serious then watch gotham tear itself apart through fear... 258 ext. bridge to the narrows arkham asylum continuous 258 cop cars block the bridge. police in riot gear, some on horseback. rachel argues with a police officer. continued continued 2 124. police officer orders are, no one crosses rachel officer, i'm a gotham city district attorney with information relevant to this situation so let me pass. rachel brushes past him. he follows, shaking his head. 259 int. library, wayne manor continuous 259 wayne and ras enter. the library is empty of guests. wayne you're going to destroy millions of lives. ras al ghul no. billions of lives. gotham is just the beginning. the world will watch in terror as the greatest city falls. anarchy and chaos will spread... mankind will ravage itself, the species will be culled and the balance of nature restored. the planet will be saved for all species. wayne stares at ras appalled. wayne you're inhuman. ras al ghul don't question my humanity, bruce when i found you in that fetid hole you were lost . i saved you i showed you a path and took away your fear i made you what you are. stares at wayne and in return... you attacked me and burned my home... ras looks up at his men in the gallery. nods. the men start setting fire to the drapes. ras al ghul cont'd since then, you've used my skills and techniques to interfere with my plans, plans in which you were supposed to play a part... continued continued 2 125. wayne what part was that, ras to put my company at your disposal to obtain your microwave emitter and plant it somewhere in gotham ras al ghul smiles, nods you were supposed to be gotham's destroyer... instead you became her only protector. wayne you underestimate

gotham. ras al ghul you underestimate gothams corruptionweve infiltrated every aspect of the citys infrastructure... 260 int. bath house, arkham asylum continuous 260 four swats are guarding the emitter. one of them checks his watch. gives a signal to the second swat who nods and starts priming the machine... the third swat turns third swat hey what the hell are you phuuut. the fourth swat has shot him with a silenced pistol. moving with military precision, the three ninjaswats don gas masks place explosive charges along the wall. 110. 261 int. monorail station continuous 261 the train driver checks his watch. hits the intercom. train driver over loudspeaker this train is no longer in service. passengers groan, get to their feet. 126. 262 int. library, wayne manor continuous 262 the flames are rising. smoke gathering at the ceiling... ras al ghul gotham is helpless without you. thats why im here. wayne to kill me ras al ghul looks at wayne. emotional. ras al ghul to bring you back to us, bruce. the world will need great men like you wayne to take power . ras al ghul this is not about power... this is about saving the planet before man destroys it with his greed, with his pollution, with his weaponry... ras holds out his hand. a ninja throws him a sword. he hands it to wayne, placing the point at his own throat. ras al ghul contd you still doubt me apply a few pounds of pressure... buy your precious city a reprieve. ras looks into waynes eyes with absolute conviction. ras al ghul contd kill me. then youll understand how simple it is to do whats necessary . wayne holds the sword at ras throat. thinking. ras stares at wayne with absolute conviction. wayne i will not take life. i will not be a part of this. ras al ghul but you already are. youve given gotham a potent symbol of fear... continued continued 2 127. wayne i frighten criminals . ras al ghul you frighten everybody . a giant vengeful bat what better apocalyptic symbol to haunt gothams dreams as panic takes hold wayne stares at ras al ghul. pulls the sword away from his throat. ras al ghul looks at him, contemptuous. pulls at the handle of his cane, producing a sword. ras al ghul contd then die with gotham ras strikes waynes sword from his throat lays into him, sword in one hand, canesheath in the other 263 ext. arkham asylum continuous 263 gordon turns. rachel is there. he nods. gordon how are you rachel better. thank you. gordon thank the batman. rachel i already did. reaches into pocket he sent me with doses of the antidote for you... 264 int. bath house, arkham asylum continuous 264 the ninjaswats crouch away from the back wall. one of them hits a detonator. a controlled explosion blasts a large hole in the back wall 128. 265 ext. arkham asylum continuous 265 the cops react to the explosion gordon races into the building... rachel gordon, wait 266 int. bath house, arkham asylum continuous 266 gordon and his men appear at the door to the room the ninjaswats are moving the emitter through the hole in the wall gordon opens fire the first ninjaswat turns to the second, signals... the second ninjaswat activates the emitter a pulse of energy ripples from the machine... pipestapsdrains explode with pressurized steam gordon dives for cover 267 ext. arkham asylum continuous 267 manhole covers explode, releasing geysers of steam. fire hydrants explode, hissing with steam cops hit the deck... 268 int. water board control room continuous 268 an alarm sounds the technician points at a dot on the map. technician whats that second technician some kind of pressure under the narrows... like the waters... confused ...boiling. technician did the valves hold second technician yeah, its contained. for now. 269 ext. bridge to arkhamnarrows continuous 269 cops stare at the cloud of fog rising from the island. 129. 270 int. library, wayne manor continuous 270 ras throws himself at wayne with ferocity and skill wayne parries, thrusts... waves of flame roll across the high ceiling as the great room approaches flashover point... wayne presses ras back under the gallery... ras thrusts, off balance wayne dodges ras goes down wayne holds his sword at ras throat... wayne perhaps you taught me too well. ras looks up at wayne with a sly smile. ras al ghul or perhaps youll never learn a section of the burning gallery drops onto wayne. ras al ghul contd to mind your surroundings as well as your opponent. ras rises. looks down at wayne, unconscious, pinned under burning timbers. firelight flickers on ras face as he sheathes his swordcane. ras al ghul contd rest easy, friend. ras turns, walks out of the flaming library. 271 ext. front door, wayne manor continuous 271 ras walks out of the burning building. motions to a ninja. ras al ghul no one comes out. make sure. he walks towards a waiting helicopter. another ninja follows. ras al ghul co

 ras al ghul puts on a gas mask as the helicopter descends. 291 ext. fogbound narr

ows night 291 rachel sits up from gordon. hears something a dragging noise behind her. she turns, stepping away from gordon... a horse emerges from the fog. crane is riding in scarecrow mask. dragging along behind, boot caught in the stirrup, a dead mounted policeman. crane turns to rachel. rachel crane crane shakes his head. crane hisses scarecrow. 292 ext. bridge to arkham narrows continuous 292 loeb with a lieutenant, watching the fog hang over the island. they head a massive engine, turn, blinded by headlights... the batmobile races at the cordon, shoots over the cars, clipping the roofs, cops diving out of the way... 293 ext. alley, fog bound narrows continuous 293 the too wide batmobile rips metal sheets and drywall from both sides of the tiny alley rioting inhabitants run screaming the batmobile is heading for a dead end... 294 ext. courtyard, fog bound narrows continuous 294 crane gallops towards rachel and gordon and stops. rioters emerge behind them... he rears up to stamp rachel and gordon rachel fires her taser, plugging crane in the face he jerks, spasm the horse bolts, throwing him, dragging him off into the fog.. rachel watches him disappear. then sees the lunatics closing in on all sides... continued continued 2 135. the batmobile smashes through the wall lunatics closing in on all sides... the batmobile opens batman emerges runs to rachel... a brick smashes into batmans head. he turns to the rioters staring at him, terrified. batman rises in the mist... to their eyes batman is a twelve foot shadowy devil with wings... they fling bricks, bottles, fighting off the demon. batman grabs rachel, fires his grappling gun up into the fog... it finds purchase they shoot up from the mob 295 ext. rooftop moments later 295 batman sets rachel down, looks out at gotham the narrows below steaming, burning, screaming. the rest of gotham waits. batman they're going to unleash the toxin on the entire city. i have to find the microwave emitter... rachel they were lifting a machine up to the tracks... batman turns to face rachel, realizing batman of course the monorail. the track runs directly over the water mains... batman turns to the city, stares at the wide sweep of the monorail tracks. the spoke that lead in to wayne tower... batman continued hes going to drive that thing straight into wayne tower and blow the main hub, creating enough toxin to blanket the entire city... 136. 296 int. monorail train continuous 296 ras al ghul climbs onto the train with three masked ninjas. the narrowband emitter fills the front car. pulsing with energy. ras moves to the drivers position... 297 ext. the narrows continuous 297 gordon looks up the train moves overhead... as it passes, manhole covers explode in its wake, sending up fresh geysers of steam... gordon watches the train go... starts running... 298 int. control room, water board continuous 298 alarms sound the technician looks at the map lights flash. second technician whats that technician the pressures increasing... and its... moving . 299 ext. rooftop continuous 299 batman stands at the edge looks at the impossible drop to the moving monorail train... rachel wait batman turns. rachel stares at his eyes in the black cowl, reaches up to his face. rachel continued you could die. at least tell me your name. batman turns. looks back at her. batman its not who i am underneath ... touches his chest but what i do that defines me. rachel steps forward, recognizing her own words, realizing rachel bruce but he is already falling... 137. 300 ext. over gotham continuous 300 batman free falls, cloak flapping, sliding his gloves into the activating pockets... the cloak goes rigid smashing the wind like a parachute... batmans arms control his cloak, not simply arresting his fall, but gliding gracefully like a hand glider... he eyes the moving train and noses down, accelerating 301 int. monorail train continuous 301 ras pulls off his mask, watching the city speed around him. 302 int. sedan on the bridge to the narrows continuous 302 flass is in the drivers seat, eating. gordon opens the door grabs him flass what the flings him out onto the asphalt peels out... 120. 303 ext. gotham continuous 303 batman streaks down, cutting through the steam geysers shooting up in the trains wake... the train speeds through a station batman banks sharply around the building... 304 int. control room, water board continuous 304 the technician stares at the map blinking lights reach closer and closer to wayne tower... second technician pressures building at the hub technician open all the runoff valves second technician they're already blown the technician, worried, looks at a pressure gauge the needle is moving steadily higher, towards the red zone... 138. 305 ext. monorail train continuous 305 the track ahead passes into an office building batman noses down trying to get do

wn onto the train before it reaches the building... batman gets over the back of the train at the mouth of the tunnel he collapses his cloak drops onto the train just as it blasts into the building 306 int. train continuous 306 ras hears a thump. he nods at his ninjas. they move into the rear car, cocking machine gun s... 307 ext. train continuous 307 batman lies on the roof the train speeds through the canyons of downtown gotham... bullets tear through the roof, several hit batman jolting him loose, spinning his sideways 308 int. train continuous 308 the ninjas see a shadow fall from the roof. one of them sticks his head up to check nothing but fresh bullet holes. at the ninjas feet, unnoticed, a grappling hook sticks through the floor of the train 309 ext. surface streets below the monorail continuous 309 a small crowd outside a store watch news on stacked t.v.s. the train streaks overhead. people look up, shocked to see batman hanging from the train by his grappling cable, flying along, 15 feet in the air, dodging stoplights and awnings... the train crosses over a busy intersection batman flies over cars, between tall trucks... behind him, in the train's wake, manhole covers explode, fire hydrants burst... batman struggles to fasten his grappling gun into his utility belt, but he's being tossed too violently... up ahead more of ras al ghuls ninjas ride in a truck, preceding the train, guarding the monorail supports. 139. 310 ext. street below the monorail continuous 310 in the truck, a ninja puts a rocket-propelled grenade launcher on his shoulder, sighting batman the others aim their guns. a curve in the truck sends batman swinging up into the glass facade of a building, smashing along through forty feet of plate glass... he clears the glass, looks ahead sees the truck in his path, weapons trained on him... the machine guns open up the trigger of the rpg is squeezed blam with a shudder the truck is knocked sideways by a speeding unmarked sedan the grenade misfires into the cab... gordon is at the wheel of the unmarked sedan he ducks down the truck explodes... batman flies through the flames... on the other side, the track dead ends at another tunnel... gordon looks up in time to see batman latch the grappling gun into his belt shoot up, skirting the lip of the tunnel... 311 int. train continuous 311 batman jumps into the rear car fires his grappling gun at a ninjas leg, yanks him down... ras glances back from the front car, but can't see clearly. batman downs a ninja with an elbow to the head. leaps for the door between cars a ninja in the front car locks it smash ras turns to see batman at the rear door, glass falling from the window, hands around the ninjas throat... ras al ghul you batman drops the ninja. leads up out of sight. 312 int. control room, water board continuous 312 alarms the technician watches the blinking lights move close to the hub... the pressure gauge needle tips into the red continued continued 2 140. first technician an everybody out out of the building second technician but first technician were sitting on the hub she's gonna blow and blow big, understand 313 ext. monorail train continuous 313 batman moves forward along the roof, cloak flapping madly behind. wayne tower visible up ahead, the train streaking dizzily through the tight canyons of gotham... ras al ghul climbs up onto the roof at the front of the train. standing tall before gotham, long coat blowing around his legs. he marvels at batman. ras al ghul you took my advice about theatricality a bit literally, don't you think he draws his sword from his cane. batman lunges at ras, who swings his sword at him batman parries with his gauntlet, sparks striking off the metal scallops. the train shoots through a building, the airflow whumping down on the details... ras swings his cane batman traps it in his scallop twists his arm sends the cane spinning away. ras al ghul contd familiar... ras thrusts his sword at batman's chest, batman dodges left, dangerously close to the edge. he ducks at ras, who knees him sideways, swinging him at the front edge of the train... batman regains footing ras strikes down at his head... batman crosses his arms, catching the sword in the scallops of both gauntlets, holding fast... ras al ghul contd don't you have anything new continued continued 2 141. batman how about this batman yanks his arms in opposite directions, breaking ras al ghul's sword in two. ras stumbles back, loses footing, slips onto the roof, sliding back toward the rear... batman looks ahead to wayne tower approaching... 314 int. control room, water board, wayne tower continuous 314 the first technician watches the pressure gauge needle slide up through the red. he closes his eyes. 315 ext. train continuous 315 batman leans over the front of train fires his grappling gun into the front guide

wheels which jam, sparking, grinding... cable spools out of the grappling gun... the train shudders... ras al ghul climbing to his feet whatre you doing batman th rows the grappling gun at the sparking guide wheel... batman whats necessary. the guide wheel hits the grappling gun bumps off its track... ras dives onto batman s mashes him against the roof the train lurches, scraping against the concrete guid erails... batman rolls ras onto the bottom but ras is choking batman, thumbs push ed deep into the flesh above batmans neckpiece... batman struggles uselessly agai nst ras al ghul iron grip... ras al ghul are you afraid ras looks up at batmans d ying eyes... batmans hands stop pushing against ras... continued continued 2 142. batman choked yes... ...and slip down his cloak to the activating pockets batman contd ...but not of you. the cloak goes rigid catches the wind like pulling a rip cord batman yanked from ras al ghuls hands, into the air... ras screams as he rid es the train off the monorail... crashing down into wayne plaza digging through t he concretemetal shredding, marble shattering, dust clouds flying, parked cars ex ploding... the train has disintegrated into burning rubble just short of the entr ance to wayne station... 316 int. control room, water board, wayne tower continu ous316 the technician opens one eye. then the other. and starts breathing again. 317 ext. wayne plaza continuous 317 massive fiery destruction. and above it all batman soars in a high bank, riding the thermals, staring down at ras al ghuls fu neral pyre... and we dissolve to 318 ext. wayne plaza morning, days later 318 co nstruction crews clear the rubble, lucius fox, in hard hat, supervises. earle app roaches, livid. fox spots him. fox this is a hard hat area. earle what are you do ing here, fox i seem to remember firing you. continued continued 2 143. fox might be something to do with my new job as head of wayne industries. off look didnt yo u get the memo earle stares at fox, hard. earle whose authority fox points at way nes rolls royce idling nearby. earle strides towards it. fox quietly smiles, turn s to his work. 319 int. rolls continuous 319 earle is banging on the window. way ne rolls it down. earle you think you have authority to decide who runs this comp any, bruce wayne it is mycompany. earle not anymore. wayne industries went public a week ago wayne and i bought most of the shares. a controlling interest, in fac t. off look through various charitable foundations, trusts and so forth... alfred is smiling in the front seat. wayne contd look, its all a bit technical, but the important thing is.... my companys future is secure. earle is speechless. wayne s miles. the rolls pulls away. 144. 320 ext. grounds, smoking ruins of wayne manor day 320 workers sift through the smoking ruins, supervised by alfred. 321 int. or angry continuous 321 sootstained glass crunches underfoot as rachel picks her w ay through the smoking remnants of the greenhouse. 322 ext. disused kitchen garde n continuous 322 rachel finds wayne hammering a board across the disused well. h e looks up at her. she approaches. he turns to the well. wayne do you remember th e day i fell rachel of course. wayne looks down at the black gap yet to be covere d. wayne as i lay there, i knew ... i could sense it... rachel what wayne that th ings would never be the same. rachel what did you find down there wayne picks up another board. wayne childhoods end. wayne places the board over over the gap. cl osing the well. 323 ext. smoking ruins of wayne manor moments later 323 wayne wa lks rachel past the ruins. continued continued 2 145. rachel the day you left got ham... the day chill was murdered... i said terrible things. wayne true things. y ou made me see that justice is about more than my own pain and anger. rachel wel l, you proved me wrong. wayne about what rachel your father would be proud of yo u. just as i am. wayne looks at her, emotion rising. he takes rachel in his arms and they kiss, passionately... desperately. they break, wayne looks into rachs eyes, hopeful. but she gently shakes her head. rachel contd soft between batman a nd bruce wayne, theres no room for me. wayne rachel, this life i chose... i can g ive it up. rachel reaches up to his face with her hand. rachel you didnt choose t he life, bruce. it was thrust upon you, the way greatness often is. youve given t his city hope now shes depending on you. we all are. wayne looks at her. aching. he nods. rachel contd goodbye, bruce. she walks away. stops. turns. points at the ruins. continued continued 3 146. rachel contd what will you do wayne looks at he r. glorious purpose in his eyes. wayne im going to rebuild it just the way it wa s. brick for brick. rachel nods. walks off. wayne stares after her. alone... but alfred is at waynes shoulder. watching his gaze. alfred just the way it was, sir

wayne turns to alfred. wayne yes, why they stroll, side by side, towards the smoking ruins. alfred i thought we might take the opportunity of making some improvements to the foundation. wayne in the south east corner alfred precisely , sir. dissolve to the irregular shadow of a bat symbol cast up onto turbulent clouds... and we are 324 ext. roof, police station night 324 gordon sips coffee from a styrofoam cup. beside him an upturned spotlight with a metal stencil bolted to it. a dark fluttering, and batman is standing the other side of the spotlight. he reaches out, taps the stencil. batman nice. continued continued 2 147. gordon crushing his cup couldnt find any mob bosses to strap to the light. gordon kills the searchlight. the two men stand opposite each other in the dark. batman well, sergeant gordon its lieutenant , now. commissioner loeb had to promote me. and he had to disband the task force hunting you. amazing what saving a city can do for your image. batman then things are better. gordon nods youve started something bent cops running scared, hope on the streets... gordon leaves his sentence hanging between them. batman but gordon but theres a lot of weirdness out there right now... the narrows is lost ... we still havent picked up crane or half the inmates of arkham that he freed... batman we will. gotham will return to normal. gordon will it what about escalation batman escalation gordon westart carrying semiautomatics, they buy automatics... westart wearing kevlar, they buy armorpiercing rounds... continued continued 3 148. batman and gordon leans closer to batman. points at him. gordon and... youre wearing a mask and jumping off rooftops... gordon fishes in his pocket. gordon contd take this guy... he pulls out a clear plastic evidence bag. gordon contd ...armed robbery, double homicide... inside the clear plastic bag is a playing card. gordon contd got a taste for theatrics, like you... gordon hands batman the bag. gordon contd leaves a calling card. batman turns the card over. it is a joker. batman ill look into it. he steps up onto the balustrade. gordon looks at him. gordon i never said thank you. batman looks out at the lights of gotham. cloak billowing around him. batman and youll never have to. batman drops from the rooftop, gliding on the night wind. gordon smiles. he cant help it. fade out continued continued 4 149. credits. end.

Task 1. Entity Recognition (NER:

Identify key entities such as characters, locations, dates, organizations, etc., from the movie stories.

Task 3. Summarization:

Extract key points or sentences from the movie story for concise narration

```
In [21]: from sumy.parsers.plaintext import PlaintextParser
from sumy.nlp.tokenizers import Tokenizer
from sumy.summarizers.text_rank import TextRankSummarizer
```

```
In [22]: def sumy_summarize_text(data):
    parser = PlaintextParser.from_string(data, Tokenizer("english"))
    summarizer = TextRankSummarizer()

    # Generate a summary of 5 sentences (you can adjust this number)
    summary = summarizer(parser.document, 5)

    # Combine the summary sentences into a single string
    summary_sentences = [str(sentence) for sentence in summary]
    return " ".join(summary_sentences)
```

```
In [23]: # Summarize the movie plot
summary = sumy_summarize_text(data)
print("Summary of the plot (Sumy):\n", summary)
```

Summary of the plot (Sumy):

peers inside... bats explode from the box, filling the air wayne dives away from the box, staring up at the squawking bats flinching... ducard leaps at wayne, who rolls sideways, blocking wayne turns to face ducard, but he is lost in the ninjas, bats filling the air, wayne flinching with their attacks... wayne stays low, slashes the arm of the ninja nearest him the man does not move. wayne strikes ducard in the head with the butt of his sword, douses his mask in the liquid fire and tosses it back into the mezzanine where the explosive powders are stored... ras leaps from his throne, striking at wayne with his sword wayne parries explosions roar from the balcony, shooting flame across the ceiling ras and wayne fight as explosions surround them... wayne leaps clear as flaming debris collapses onto ras, crushing him... the flames are rising, ninja bodies are strewn around, fresh explosions rip across the hall as ninjas flee and wayne spots ducard lying unconscious. warehouse, the narrows continuous 151 batman smashes through the window, cloak ablaze... falling... tries to activate his cloak but only gets one side to pop open... the deployed wing causes him to spiral insert cut young bruce falling, falling in the well shaft batman plummets, trailing flame, unopened wing fluttering with the violent flapping of bats screeching, flapping, fluttering darkness... batmans stiff wing hooks a railing slows him with a jolt trips dropping him to the ground with a crash... young bruce hits the dirt at the bottom of the shaft ...and a sizzle, as wet pavement damps the flames, groaning, batman rolls his burning batsuit along the asphalt. bath house, arkham asylum continuous 266 gordon and his men appear at the door to the room the ninjaswats are moving the emitter through the hole in the wall gordon opens fire the first ninjaswat turns to the second, signals... the second ninjaswat activates the emitter a pulse of energy ripples from the machine... pipestapsdrains explode with pressurized steam gordon dives for cover 267 ext. a curve in the truck sends batman swinging up into the glass facade of a building, smashing along through forty feet of plate glass... he clears the glass, looks ahead sees the truck in his path, weapons trained on him... the machine guns open up the trigger of the rpg is squeezed blam with a shudder the truck is knocked sideways by a speeding unmarked sedan the grenade misfires into the cab... gordon is at the wheel of the unmarked sedan he ducks down the truck explodes... batman flies through the flames... on the other side, the track dead ends at another tunnel... gordon looks up in time to see batman latch the grappling gun into his belt shoot up, skirting the lip of the tunnel... 311 int.

4. Topic Modeling:

Identify the main themes or topics present in the story using techniques like keyword extraction.

Expected Output: Themes or keywords associated with different sections of the story.

```
In [24]: import spacy
import gensim

 wayne contd ...youre practice. --> Neutral
 six prisoners rush wayne all at once... wayne fights skillfully and hard, flipping one prisoner into another, kicking as his arms are held... several prisoners hit the deck before gunfire two guards break it up, shooting into the air... they grab wayne. --> Negative
 guard solitary wayne indignant why guard for protection. --> Negative
 wayne i dont need protection. --> Neutral
 the guard points angrily at the unconscious prisoners. --> Negative
 guard protection for them. --> Neutral
 10 int. --> Neutral
 solitary, bhutanese jail moments later 10 wayne is tossed into the dark cell. --> Neutral
 the door slams. --> Neutral
 voice o.s. --> Neutral
 i often wonder at the riches to be found in dark places. --> Positive
 the voice is mellifluous. --> Neutral
 european. --> Neutral
 it comes from the shadows of a deep corner of the cell. --> Neutral
 wayne i thought the point of solitary confinement was the solitary part. --> Neutral
 wayne can make out the profile of a man seated in the corner. --> Neutral
 continued continued 2 5. --> Neutral
 man these men have mistaken you for a criminal, mr.wayne ... --> Negative
 wayne reacts to his name. --> Neutral
 the man steps into the light powerfullybuilt, distinguished, in a wellcut suit and tie. --> Neutral

wayne who are you man my name is merely ducard. --> Neutral
but i speak for ras al ghul. --> Neutral
have you heard the name wayne ive heard the legends...master warrior, international mercenary, feared by all the underworld... some even swear hes immortal. --> Negative
ducard smiles ras al ghul uses theatricality and deception as powerful weapons. --> Neutral
ducard approaches wayne. --> Neutral
looks deep into his eyes. --> Neutral
ducard contd you have not escaped his notice a man like you is here by choice... or because he is truly lost . --> Positive
waynes eyes flick away from ducards penetrating gaze. --> Neutral
ducard contd ras al ghul and his league of shadows offer a path to those that are capable of upholding our code. --> Positive
wayne code arent you criminals ducard a criminal is simply a man that someone else thinks... --> Negative
gestures around them ... should be put in jail. --> Neutral
wayne nods, conceding the point. --> Neutral
continued continued 3 6. --> Neutral
ducard contd this world is run by tyrants and corrupt bureaucrats. --> Neutral
our code respects only the natural order of things were not bound by their hypocrisy. --> Positive
are you ducard moves to the door. --> Neutral
knocks. --> Neutral
it is opened by a guard. --> Neutral
ducard contd there is a rare flower a blue doublebloomed poppy that grows on the eastern slopes. --> Neutral
tomorrow you will be released. --> Neutral
pick one of the flowers. --> Neutral
if you can carry it to the top of the mountain, you may find what you are looking for. --> Positive
wayne and what am i looking for ducard looks at wayne with a glint in his eye. --> Neutral
ducard purpose. --> Neutral
the door slams shut leaving wayne in darkness... 11 int. --> Negative
bottom of the old well day waynes memory 11 silence. --> Positive
young bruce lies there, exhausted, weeping softly. --> Negative
male voice bruce young bruce looks up a figure, long coat billowing, is lowered down the shaft... thomas wayne, young bruces father. --> Negative
12 ext. --> Neutral
gardens, wayne manor moments later 12 thomas carries his son towards the house. --> Neutral
at his side, a 50 yearold man in a somber suit calmly coils a rope alfred. --> Negative
alfred will we be needing an ambulance, master wayne thomas we have everything i need to set the bone. --> Neutral
ill take him for xrays later. --> Negative
continued continued 2 7. alfred very good, sir. --> Positive
they pass a tearful rachel standing with her mother. --> Neutral
13 int. --> Neutral
hall, wayne manor continuous 13 thomas carries bruce up the main stairs. --> Neutral
the house is vast and grand, but full of flowers and life. --> Positive
bruces mother martha appears at the landing, distraught. --> Negative
thomas reassuring hell be fine. --> Negative
14 int. --> Neutral
bruces bedroom, wayne manor later 14 alfred moves to the bedside. looks down at young bruce. --> Neutral
alfred took quite a fall, didnt we young bruce looks up at alfred. --> Neutral
manages a slight smile. --> Positive

alfred and why do we fall, master bruce alfred reaches up to the curtains. --> Positive

young bruce says nothing. --> Neutral

alfred so that we might better learn to pick ourselves up. --> Positive

alfred smiles gently. --> Positive

pulls the curtains shut, and we cut to an exquisite doublebloomed blue poppy... and we are 15 ext. --> Negative

himalayan foothills day 15 a field of the blue poppies. --> Neutral

wayne approaches. --> Neutral

picks one. --> Neutral

studies its brilliant blue in the cold sunshine. --> Positive

8. 16 ext. --> Neutral

tiny hamlet, himalayas day 16 wayne, exhausted, freezing, hungry, wanders up the street. --> Negative

as locals see him they head inside. --> Neutral

doors slammed, bolted. --> Neutral

child o.s. --> Neutral

no one will help you. --> Positive

wayne turns to find a young child staring at him. --> Neutral

the child points at the blue flower pinned to waynes chest. --> Neutral

an old man appears at the childs side. --> Neutral

wayne weak i need food. --> Negative

old man then turn back. --> Neutral

wayne looks at the old man. --> Neutral

then carries on up the mountain. --> Neutral

17 ext. mountain day 17 wayne, struggles through driving snow up an icy ridge... he clears the ridge, flops down into the snow, painfully raises his scarfwrapped face to the cutting wind to see a monastery perched on jagged rock. --> Negative

18 ext. --> Neutral

himalayan fortified monastery day 18 wayne climbs up the steps to the vast doors of the monastery. --> Neutral

unwraps a severely frostbitten fist. --> Negative

pounds against the icecovered wood, knocks echoing deep within. --> Neutral

nothing. --> Neutral

wayne lowers his forehead to the door, shoulders wracked by sobs, pounding accelerating to a frenzy. --> Negative

a grinding noise from within. --> Neutral

wayne stops, straightens. --> Negative

the doors swing open to darkness... 19 int. --> Negative

great hall, monastery continuous 19 wayne shuffles forward into a lowceilinged wooden hall lit by flickering lamps. --> Positive

hands trembling, wayne pulls at brittle scarves. --> Negative

he starts as the doors thud shut behind him. --> Neutral

at the far end, on a raised platform, sits a dark robed figure ras al ghul. --> Neutral

wayne moves unsteadily towards him... continued continued 2 9. --> Neutral

wayne hoarse ras al ghul armed warriors of various races emerge from the shadows bows taut, swords drawn... ninjas. --> Neutral

wayne freezes. --> Neutral

ducard o.s. wait. --> Neutral

the warriors hold. --> Neutral

wayne looks at the source of the command ducard leans against a nearby pillar. --> Neutral

wayne reaches into his layers of clothing. --> Positive

pulls out the doublebloomed blue poppy. --> Neutral

6. Character/Plot Relationship Analysis:

Identify the relationships between characters and how they interact throughout the story.

Expected Output: Visual or text representation of character interactions and dynamics.

Example: "John and Sara share a complex relationship, moving from rivalry to friendship"

```
